President's Message

Another month goes by & our beloved team is in a sad state again, hammered by them and the managers team selection and tactics left questionable, I'm surprised he's not gone but this boards managerial appointments have always been questionable. Rangers supporters have had a tough 6 years enough is enough. **WE DESERVE BETTER.** Well at the last membership meeting we as a club had the privilege of welcoming our 1st 5 ladies members! Welcome to your club! I've heard there is a more to come, so the club's future is once again looking good, which should be everyone's priority. The last man standing is drawing to a end for this season Many winners, many complaints of bad picks but it was always fun having a laugh at others teams going out & believe me I was a brunt of them over this season lol I would like to thank everyone who took part in this seasons LMS & especially Myles for all his hard work with keeping us up to date on it all. Hopefully everyone joins again next year and promotes it to their friends and family. The club also had a pool going for the Masters, obviously I didn't win but a big thanks to Colin & Gavin Tyler for getting this one going. At the last septic game our roll and sausage maker decided to go away without my permission and we needed a master Chef to fill in, once again Audrey Cole stepped up with a little help from Scott, their help was greatly appreciated but I'm not going to say if they were better than Gordons lol. On that game I would like to thank everyone who fought the elements of the rain & ice to make the game, I know the result sucked but what a great day we had in the club after it . Well as everyone knows, we lost a Great member & Past President last week, David Murray was a fantastic member even over the last few years when it was tough for him he still made it out to watch his beloved team, David will be sadly missed by all in the club

Secretary's Report

The poorest of poorest performances this season in the Scottish Cup Semi Final has left a very large dark cloud over our season. To complicate matters, two of our long term players in our Captain and Vice Captain have been suspended till seasons end.

The time has come for the Blue Suits upstairs to get a grip. We need a seasoned manger with a winning attitude, a football man, a Leader and if he supports the Bears all the better.

The Rangers Brand, the Share Price and the Worldwide Support are suffering.

In brighter news, North Americas Largest Rangers Supporters Club, Bramalea, is doing quite well! Our new members this year have brought a great buzz to the club room. The Young team are keeping us busy with a diversified interest in the EPL and Golf, while others have got involved and helped with tasks surrounding our new kitchen. A paint night has been suggested ,which has been received with great enthusiasm and we hope will be well attended, all details to be shared in the very near future. Thanks to all the new members this year so far for their new ideas and input, keep up the good work.

The Ryder Cup at Savannah Links in Cambridge is May26th, any golfer interested in playing there is a sign up sheet in the club or contact David McDowall

I have a number of applications for membership, if you have sponsored someone please remind them of our membership meeting this Saturday April 28th at 1pm

Cheers
Fraser
