

President's Message

Well the first month of the season is in and good to see Rangers at the top of the league.

Mark Warburton has added a few new players and I'm sure he has an eye on a few more before the transfer window closes.

Attendance is up a bit at the club for the games and hopefully we will build on that as the season continues

Thanks to all the help at the games, Jim Sloss working the door, Tommy Kingsberry selling the raffle, Gordie Brown and Stephen Welsh providing the square sausage and onions on a roll and Dave Ramsay with his half time patter

The Elton Rohn show was quite a night...good crowd ...great entertainment. Thanks to Audrey Cole for all her help getting the club ready and selling the raffle tickets with Irene Russell

It was a special night for me as I proposed to Kathy that night at the club and she accepted!!!

Up next at the club is the club golf tournament at Glen Eagles on Sunday Sept 4th. There is a signup sheet at the bar

We have a great entertainer by the name of Sterling Stead coming to the club on Sat Sept 24th ..Tickets are \$15 including light food. We also have the return of the Scottish Comedians on Sat Oct 8th..Tickets \$10

We will be showing all the Scotland World Cup qualifiers starting with the game away to Malta on Sep 4th

Tony Matthews has been doing some excellent food on Thursdays and Fridays when he works the bar. Last week it was a choice of peameal, lettuce and tomato on a bun, or his famous ham and pea soup...just \$3...can't beat it

The Domino League will be starting soon as well, always a great way to spend a Saturday afternoon

Hope to see you in the club soon

Secretary's Report

We welcome the chase! Top of the league and the spirits are high. Going for 55! The first three league games have been far from a walk in the park however. With a number of new faces in the team the lads are still adjusting to each other and the new league The back four are still unsettled and the midfield could use a bit of grit at times. Its Kilmarnock next Friday and Ex Ger Kris Boyd has been knocking them in lately, wonder if him and Kenny Miller have a side bet for first and most goals scored.

Great Night on Saturday with Elton Rohn and Chris Partland. The club was alive and the mood was PARTY! It could only go up a notch if there was a proposal coming. Well Lo and Behold the Big Handsome Devil the President himself, surprised his Lovely Lady Kathy with a Bended Knee Proposal and a Sparkling Rock too! Elton was on key the whole night and the crowd was into it! A mention to Chris too for his Soul City performance, Fantastic !

September will see the NARSA Convention in Las Vegas tickets go on sale. For those who plan on attending please see Stuart McFarlane. Tickets are \$140 USD for the three nights. I would suggest purchasing these sooner rather than later as this will be a very well attended convention and interest is high.

We have some new merchandise in the cupboard, Caps, T-shirts and Golf Shirts too, all of which are selling very well. Check them out next time you are in.

September 4th is the Annual Golf Tournament. I have it on authority that it will be one not to miss. Returning from sunny Dunoon we have Kenny "Never missed a Fairway" Henderson and Course Management player "Drop Zone" Davy!

Sick and Visiting

CONGRATULATIONS

To the President and the First Lady, Stuart and Kathy on their recent engagement. Much Happiness Always !
