## **PRESIDENT'S REPORT**

Congratulations to all the players who participated in the Ran-Cel golf tournament it was a fantastic day with an overwhelming turnout of players there was 126 in total and a special thanks to Ronnie Gemmell who gave us 24 players to make our side strong and strong it was with score 16-11 and the trophy going into its rightful display cabinet it would be remiss of me if I did not mention and thank Kathy, Jayne, Jack, Tony and Donald for their hard work outside the tournament, the true winners on this day was the Women's shelter in Brampton when they received a cheque for \$4,500.00 and we the Ran-Cel committee thank you for your donations on this day.

The next day after the Ran-Cel we held our annual picnic at Heart Lake Conservation park and this event was spearheaded by Stuart McFarlane and his committee who were Alex Morrison, Tommy Kingsberry and Bill Simpson. Another great day for all kids and adults alike, it has been suggested we move the date of the picnic from the long weekend to see if we can increase the attendance but this will be discussed at a future members meeting.

Tom Jones show would have to be ranked the best yet, Patsy and ABBA were maybe edged out however you can be the judge if we line up a night with all three and call it the G.R.S.C. has talent show, relax Gordon just a suggestion but once again Gordon your hard work and worry paid off with another great night.

Rangers season is off to a fine start hopefully just keep it going just get so far ahead and then coast to the end of the year would be an ideal world. Try to keep the controversy away from the dressing room I know that is hard to do wishful thinking I guess. Scotland played England in a friendly which we showed at the club and the atmosphere was electric a sea of tartan to do your heart proud and a good game but as it was said we play with heart they play with skill. The Tartan Army still celebrated.

Mixed dart season is fast approaching get in touch with Fraser Wilson if you interested in playing.

To our sick and shut in members, get well soon.

Alistair McFarlane President

## **Secretary Report**

Well we are off and running with Football, at the time of writing Rangers have won their first three games in the league.

### **RANGERS SCHEDULE SEPTEMBER**

Saturday Sept 14 th VS Arbroath HOME  
Sunday Sept 22nd VS Forfar AWAY  
Saturday Sept 28th VS Steinhousemuir HOME

I believe Rangers have done more for local Scottish football than they get credit for. The financial rewards that went to all the third division clubs when Rangers played them, were probably the best year they had, and all thanks must go to the Rangers supporters, they have been awesome, and deserve to be congratulated.

There are a lot of political reports coming out of Ibrox, I'll not comment on them, I just hope they keep their focus on winning this league championship, and head for the Premier League.

The Blue Day was very good, the music was great Normie Mason did a good job and there was a large crowd in the club, and great to see new faces, and many old friends.

The Tom Jones night was probably one, if not the best night ever, he was fantastic and I'm sure will be back to the club. It was not a sell out, probably because the last Tom Jones we had was not good. Well for those that missed it, due to that reason, were I'm sure sorry when they heard about Saturday, he was absolutely great.

The Ran-Cel Golf I believe was a great day for all, Alistair will probably comment on it but all reports were very positive, and the Charity will be pleased

There are some great nights coming up at the club, so please support them, it's good for our club.

Gordon Brown is to be congratulated for all the effort he puts into arranging three nights, and all the other events he organizes. Well done Gordon.

Please remember to inform me of Members who are sick or in distress, it's nice to get a wee "get well card" from the Members when you are feeling low.

Secretary
