

## President's Message

Well what a month it has been...Firstly clinching the Championship League against Dumbarton and ensuring promotion back to where we rightfully belong...The Premier League.. Four years of hard work has finally paid off Winning the Petrofac Challenge Cup against Peterhead and lifting that trophy for the first (and hopefully last ) time

The win in the Scottish Cup semi-final was an incredible day at the club great to see so many faces we hadn't seen in a while .Let's hope the good times continue into next season as well

The club was fitted with a new big screen projector and coffee machine before the win against Celtic.Thanks to Paul McDonald and Ian Gordon for looking after the set up.

Lots of great things coming up at the club, starting with another Poker/Horsey day on May 1<sup>st</sup>

The Domino banquet and Johnnie Johnston take up the next weekend Another club BBQ on May 22 with Edwin Mason entertaining

And of course the Scottish Cup final with a spot in European football on the line on May 21st

June and July are very busy as well. Lets all support the hard work that Stephen Welsh and Gordon Brown do.

Our best wishes to the sick and distressed members of the club.

And on a very sad note, we lost a great member and friend with the passing of Tommy Scade.A past president and barman at the club, Tommy was always thinking of his club first

Our thoughts are with Jeannie and all his family at this difficult time

He will be missed

## Secretary's Report

### CHAMPIONEES!

With a 13 point lead and 2 games on hand our Team cruised to Champions of the Ladbrokes Championship League Title. **Congratulations Rangers FC!!**

The Petrofac Challenge Cup went ahead as expected with a packed Hampden, mainly a massive Rangers Support and 4 Goals later for the Boys in Blue another piece of Silverware was on its way to Ibrox.

What a great week for Rangers and their Support, the feel good factor was back and an impending Auld Firm tie at Hampden Sunday April 17th in the Scottish Cup Semi Final had expectations running high.

Rangers led twice throughout the Celtic match and won on Penalty kicks. I must admit we out ran them, out passed them and after all was said done out scored them. What a terrific run of victories for our team. The manager and players should be commended for their commitment and focus.

The snowball effect is traffic through our door on Advance Blvd. We are seeing a much welcomed up swing in attendance. Folk greeting each other like its Ne'erday and smiles around. Haste ye Back!
