President's Message

It is nice to see the snowbirds back in the club returning from the winter break in Florida & Mexico, "Welcome Back Guys". With a few regular season games left, hopefully we can look forward to doing well in the playoffs and a place back in the premiership where we belong. It should not be a problem if we play the way we did against Hibs & Hearts. It is nice to see the manager giving the young boys a chance.

The domino season has come to an end with the champions, John Mitchell and Norrie Nelson taking it right down to the last game of the season. Congratulations lads, your trophy will be presented on May 2nd at the domino banquet. A big thank you to Donald Cameron and Jim Sloss for the running of the league.

The entertainment committee is hard at work bringing in top class acts, so please support your club by buying a ticket and come out to the club and have a great night. Stay tuned to the website and the newsletter for the upcoming events. The darts league has also come to an end for the season and I would like to thank them for supporting the club.

John Neilson has fixed the glass at the club on both doors and as always he did it with a big smile, thanks big man. On a sad note, we lost big Jim McIntosh and John Mitchell lost his wife Anne. Our thoughts are with the families. Our next monthly meeting is on April 26th at 2:30 sharp. It is your club so come out the meeting and have your say.

Respectfully yours,

David McDowall

Secretary's Report

A big thank you to those members who have given their own time and expertise lately, for the betterment of our club. A new hot water tank and dishwasher installed and glass door panes replaced, all installed by members at no charge. It is encouraging to see members who can and do give when possible.

Also, well done to Gordon Brown for another successful Club Function with a Patsy Cline night being enjoyed by another **Sell Out** crowd.

There was only one tender received for the club cleaning contract from LRC Cleaning. Since LRC had been cleaning the club since early March and all feedback had been most favourable from many members and of course, their Ladies too, the contract was awarded to LRC.

Our Bar Chairman Dave McKinney is looking for volunteers to add to his available Bartenders, anyone interested please contact Dave directly

On The Park

Since taking over, Stuart McCall has recorded a Won 4 Lost 1 Drawn 3 Stat. While he has been a breath of fresh air to the playing staff, there is still a certain malaise in our squad. Signs of us shedding this uneasiness and inconsistency are there but there is still room for greater performances. I hope that the last three League games provide winning results that this team can get the belief that they really are Scottish Premier League deserving.
