APRIL 2011 NEWSLETTER

PRESIDENTS REPORT

I would like to thank Isabella Smith for her hard work and leadership skills on our recent Tartan night, this thanks also goes to the volunteers who helped us with the hall set up, decorations, food servers etc. Karen McDowall was M.I.A. this function as she and husband Davy were rubbing elbows with the stars in Las Vegas.

We are trying to give you the member some different entertainment this year and if there is something you dislike or would like us to try talk to your committee member or myself and if it is feasible we will try it. All for the good of the club first and foremost.

Upcoming events for the next two months look great and a great response to our efforts, Bill Lowry being the entertainment chairperson, The Royal Wedding APRIL 29TH is lined up to be a great evening and the ladies are asked to wear their best hat as we will have a gift for who we deem is the best, when I say we I mean we have secret judges who will select the best, this evening will be as if you are at the reception. May 8th which will be Mothers Day at the club, Jayne & Tony preparing a first class meal and entertainment from George Kash please note if you come by the club on this day and only for the entertainment a \$5.00 cover will be charged. June will see the return of the mixed golf day along with this same month Ascot race day. I must mention two functions that promise to be sell outs so get your name in early to Bill Lowry and they are St. Andrews night in November and NEW Years Eve dinner and dance a served meal of roast beef c/w all the trimmings.

Shug Gilmour did a first class job to our bar top that should help preserve it for the near future. Davy McDowall has spoken to a good friend in the kitchen upgrade business and may have secured us a new counter top (fingers crossed) Don McCormick has quoted us to upgrade our audio/video/ computer system and will be discussed at our next meeting on May 1st. We should also have an answer to the glass washer saga, I am pleased to write the ice machine is going good guns.

Please support your club whether you come to a game, the euchre the doms or drop in for a drink any support possible will help us to achieve the things we need to do to keep your club running and looking great.

I cannot tell you any-thing you do not already know about what is happening at Ibrox. Just look forward to next season and if we get surprises before that then it is a pleasant surprise.

Regards Alistair McFarlane President

NEXT MEETING

SUNDAY MAY 1st AT 2:30 PM

SECRETARY'S REPORT:

Rangers certainly gave us all something to cheer about when they beat Celtic in the League Cup Final. But when they were in charge of their own destiny in the League, they were unable to pull it off, now it looks like we have to wait on Celtic getting beat for us to win the League., and with the draw on April 24th its still wide open.

Well the Royal Wedding will be coming up soon, the {29th April} it will be a sell out, a lot of people will be dressing up as if they were attending a real Wedding reception. It looks like a real fun night, {I hope we get a real nice day for the Wedding, I wouldn't want to get my suit wet? Norman Mason DJ. Buffet and all for \$15. where else would you have fun like this.

We have more upcoming events at our club, so book early, don't be disappointed, and do come out and enjoy some of the following:

Mothers Day May 8th, Dominoes Banquet May 14, Day at the Races May 22nd, June 18th Royal Ascot night, to name a few, so please come out and enjoy. [Details and prices on page two.](#)

The Celebration of Life for our Friend, and Member Bobby Evans on April 2nd was a great send off for Bobby, and I am sure his wife Margaret and the Family were well pleased. Over 120 Members and Friends attended, to pay their respects.
