

## President's Message

Well guys hopefully everyone is still enjoying all this good weather and especially the start to the season our team has had. I'm sure we knew the team was going to improve after last year but I definitely didn't expect to start so good. There is a lot more togetherness in this team, something I've seen in a Rangers team for many a year. I know it's early doors but who knows can this be our year for #55? Well, maybe not, as some of the refs decisions this season (Cup included) has been nothing less than shocking maybe it will improve, but I won't hold my breath. In Europe we have done really well, 6 games and no defeats not even been behind for 1 second, that's really good going. I don't see UFA giving us much trouble so getting back into the group stages of the Europa league will generate some welcomed revenue to the club. The crowd in the club for the Europe games has been good, I hope to see a few more supporters when we get to the group stages, it would be fantastic for the club if the league games had the same interested crowds, hopefully our form continues As mentioned in the last news letter we are in desperate need of new barmen, we have lost a couple due to some physical limitations and we are struggling to get all the shifts covered. Should we run into real difficulties, the clubs opening hours may need to be reviewed. If anyone can spare a day or two a month it would definitely be helpful to the club. Give it some thought. Anyway, not much to talk about the club apart from it looks fantastic make sure you promote the club to friends and family for any upcoming events

## Secretary's Report

The Europa Cup games continue! Next up FC UFA a Russian team first managed by ex Ger Andre Kanchelskis News filtering through has them hoping to get Visas in time. I do wonder if this is paper talk or mind games from FC UFA. I mean they couldn't have filed for their Visas any earlier than Friday morning, its only Sunday now. Regardless, I am sure the Manager will have the Team properly prepared.

We had more members renew their memberships again this past month, its great to see we still have a healthy appetite for our wee club.

For those members interested in Gordy's 50/50 please see him ASAP as his first draw is imminent.

The merchandise cupboard has new Tees and Polos for those looking for new gear with more new items to follow.

There are a few club functions on the calendar so please take the time to review and let us know if you plan to attend.

Donations for the Log Draw (I know) will be accepted any time now. Tickets will be on sale November 1

The fixture list is quite busy as we are playing twice a week and the Team are looking great. Hope to see you at a match sometime soon

Cheers  
Fraser
