

President's Message

For those of you who were at our 30th anniversary party I hope you agree that it was a fantastic night. It kicked off early and lasted into the wee hours. Kenny Cree and his helpers put on a fantastic spread. The entertainment started with DJ's Jim and Chris Convery and followed with the band Material Men who played some of our favorite 80's tunes. The night got even better when "Goalie" Andy Goram showed up and took pictures and signed autographs all night. "Goalie" also showed up the next day at the game and once again proved that he is a class act.

I would like to thank the NARSA clubs that attended our 30th anniversary: Toronto, Barrie, Cambridge and London. A special shoutout to Claire Dougall from Larkhall who flew from Scotland just to be with her Rangers friends. I would like to also thank the members, committee and ladies of our club who truly made it a night to remember.

Rangers are now 6 in a row this season and what a treat it is to watch. I personally don't mind going to the club at 6:30 am to watch the games, it's that enjoyable. A team that runs for 90 minutes and plays some magic football. The free kick against Hibs on Sunday was stunning. Hopefully more to come. It has been a busy time at the club, and your support has been brilliant. Upcoming, we have Abbamania, the Scottish Comedians, and the annual golf tournament. Another good member of our club is looking fit again, Brian Nicholson, his laugh can be heard for miles, which is what we need in our club.

Where has the year gone? As you know, your club needs all the help it can get to keep it at number 1. Remember, this October meeting is nominations for committee. So don't be shy, put your name forward, or ask someone to nominate you, even if you can help a little, it goes a long way.

Introducing our Past Presidents and the Founding Members of our club this past Saturday made me so proud to be a part of it. Especially with all the visitors praising our club. Andy Goram said he has never felt so at home as he did in Bramalea.

Secretary's Report

Saturday August 22nd, the clubs 30th Anniversary Evening was absolutely brilliant!. With no less than 6 Past Presidents and a number of the Founding Members in attendance the club was READY to receive our members and friends from various NARSA Clubs . DJ Jim Convery and his son Chris set the tempo before President David McDowall commenced the business portion of the evening with a Minutes Silence for Absent Friends. Many Thanks were extended to, the Past Presidents and Members for their support care and love for our club, to the numerous clubs in attendance for joining us in our celebrations and a special mention was made to Claire Dougal who travelled from Larkhall Scotland. A Special Surprise Guest, Andy Goram was then introduced to a rapturous applause and the energy level in the room took off! Andy entertained the room with a number of funny stories from his playing days and took some questions off the floor. Brilliant Stuff!

Piper Alan piped in the Anniversary Cake with Stuart MacFarlane and the Founding Members assembled to make the first cut. The Material Men then hit the stage to take us through a set list of 80s hits akin to the days of our club establishing. A couple of members, Brothers no less, got in on the act and belted out a couple of their favourite tracks too, Awesome !!

To those members who volunteered with the setup/tear down outside, THANK YOU! Also, a shout out to Kenny Cree and his team for a brilliant job on the BBQ ! Plentiful, Tasty and enjoyed by All! Over the last week we have received numerous overseas visitors to our club room and it is great to hear how impressed they were with our Club

Speaking of overseas, What a Team! Undefeated in 6 with 20 goals for and only 4 against. No reason why we can't keep this Up!
