President's Message

It was nice to see all the wee smiling faces at the Christmas party when Santa showed up on Sunday. The kids had a ball with the clown, face painter and the animal show. (Sounds like the dominos on a Saturday afternoon). A big thank you to all who helped.

It has been a pleasure to serve as the Bramalea Rangers Supporter's Club President this year. I couldn't please everyone but my committee was brilliant and helped make it easy. A special thank you to Fraser Currie, he has been the backbone of the committee this year, stepping in at any time to help with the club business.

As Rangers stutter towards the title I still believe in them and like the football we are playing. Hopefully at the January window a good defender and maybe a strong holding midfielder. At the Morton's game there was a good turnout, so keep it up "Lads n' Lassies". Your club will stay around if you support it.

Christmas Eve is the Bottle Draw so make sure you get your tickets. There will also be a drink per member as well as their better half. Tickets will be given between 3-5pm. No transferring of tickets please.

At the kids Christmas party I was told wee Tommy Scade was not doing well and in hospital. At this time of year it is tough for a family when a loved one is sick so if you know of someone who is sick or needs a bit of help, do a good turn and call them or pay a visit.

26 years ago when my brother and I joined the club we met some great characters. Our sponsor "John Wright", "the Whip" "Wee Scotty" and "Jack McAllistair" to mention a few that have passed and Meekie, Rusty, Craigy, Slossy, Swally, Ricky, Rammer, Crusty, Big John, Big Ian, Wee Scader the ones that are still around. There was one guy that used to say that they are all "Good People" - Thanks Rab!

"We Are The People"

David McDowall
President 2015

Secretary's Report

December is always a busy and fun month in our club. Many Thanks to Audrey Cole for her time and effort giving our club room that air of festivity and sparkle for Christmas. Yesterday, our club was full of some very excited children, happy parents and proud grandparents. Stuart Macfarlane, Karen & Chelsey McDowall and Gordon Brown should be commended for their hard work, contributing to the success of the day, Thank You! Pictures of the day are now available on the website

At our last meeting Alex Morrison received the necessary votes to be elected as Vice President of the Bramalea Glasgow Rangers Supporters Club, Congratulations Alex!

On The Park

We are stumbling towards the finish line, call it complacency, predictability or finding it hard going, we need more goals! We are seeing lots of the ball but goals count, hope this is sorted before Hibs on the 28th

Congratulations to our outgoing President, Davy McDowall on a successful year. After chairing the much celebrated 2014 NARSA Convention, Davy has presided over our club this year with a daily consideration and our incoming President Stuart McFarlane will find it in Good Nick!!

This Just In, the Petrofac Cup Final will be played at Hampden Sunday April 10, hope to see you all in the club !

Merry Christmas and Best Wishes for 2016

Fraser

From Our 2016 President Stuart MacFarlane

I would like to begin by saying it is the utmost honour and privilege to be named President of our great club. I hope to continue the fine tradition on keeping our club one of the best and proudest clubs in NARSA and worldwide

The committee that will be working beside me are all well respected members of the club and I'm sure they will work hard to keep the club flowing well

The position of Secretary is still open at this time

This is an **important** member of the Executive and if you are interested in helping us out , just let me know

The team on the pitch is performing very well and hopefully promotion to the Premier League is just around the corner

Mark Warburton seems to have made his make on the team to say the least

I would be remiss not to mention the fantastic job that David McDowall and his committee did in the past year.

Its not an easy job, but the club is thriving and doing well

We are always open to listen to new ideas and suggestions to bring income into the club

Please bring them to my attention or at any general meeting

I hope everyone has a safe and happy holiday season

Hope to see you at the club soon

Merry Christmas and Happy New Year to you and your family
