President's Message

Well my first membership meeting as President is in the books. But let me tell you this, I was very nervous going into it hoping everything would go ok and after it was over I definitely think it went well. Hopefully, the members who were there were satisfied with everything. Standing behind a bar serving members is a lot easier than sitting at a meeting as a President, I can only commend every Past President for being in that situation, especially the ones who have done multiple years.

Moving onto our beloved Team, where we all thought McInnes was a cert to be our next manager. However, it seems the challenge may have been too much for him and he remained in the North with the woolie ones. The consensus among the support is he wasn't really wanted anyway and they are happy to stay with Murty, who has been appointed the managers job til the end of the season

It would be fantastic to get the Laptop Loyal back in the club watching the games with their pals. It certainly beats shouting at the screen by yourself. Look forward to seeing some of you back in the club

Well we have reached the Christmas period and I hope to see many of you coming to the club over the next few weeks, there's plenty of games on so come on down cheer the team on and enjoy the festive spirit in the club.

As President I would like to wish Everyone & Their Families a Very Merry Christmas & A Happy New Year!. Take care everyone & remember

Secretary's Report

What a Great Sunday we had on December 10th at the Kids Christmas Party. The BIG smiles on the kids faces said it all. Many Thanks to all those involved and made it possible, Gordon Brown, Karen McDowall, Wayne Sheppard and all of the elves.

Also thanks to Karen for the generous donation of Postage Stamps

Well Done to Interim Rangers manager, Graeme Murty, for his recent run of victories including a double against Aberdeen. The Team is now better positioned to compete at the top of the League and grow from strength to strength . Graeme will do well as Manager til End of Season I am sure.

The membership renewal is going especially well. I don't recall seeing so many members having paid in November ever before. The Treasurer is delighted to say the least.

The Club is open everyday between December 21st and January 1st with the exception of Christmas Day and Boxing Day. Look forward to seeing some well kent faces during that time.

On Behalf of All of the Executive I would like to wish you everyone a Merry Christmas and a Happy New Year!
