President's Message

I would like to thank the members and non-members who came to the club on February 1st. Firstly, for the game; 97 people through the door. "Brilliant". Nice to see some old faces and new ones. The result was not what we wanted for the team but good for the club. Secondly, the Texas Hold'Em. Over 40 people for that and some members hanging in for the atmosphere. Lastly, for the few members who come in every Sunday, you are much appreciated. A special thanks to Gordon Brown, Jim Sloss and Norman Collins for organizing and running the day. Well done!

The Burns Supper was a success with 102 members and friends being fed a lovely traditional Scottish meal prepared by Jane and Tony Matthews and assisted by Irene and Shug Gilmour. We were entertained by Piper Emma Watson, DJ's Jim & Chris Convery and dancers from the Cassey School of Highland Dance. The Official Burns ceremonies by Davy and Isabel Smith, Sam Wood, Jim Convery, Matt Virgilio and John Caldwell.

At our last meeting it was passed to allow old members who have let their membership lapse to just pay their dues without re-initiation. So please let everyone you know. We truly want a vibrant future for our club. To help keep our younger members and friends entertained and coming in we are hoping to show some UFC or boxing matches. Please stay tuned for more. It was good to see lots of them on Sunday. You guys are the future of our great wee club. At the next general meeting, we will be discussing club finances. Please attend if you can.

Finally, there is still a lot of backwards and forwards at the Rangers Boardroom level but hopefully light at the end of the tunnel with great players coming out of it. We still have to support our team to get to the Premiership.

Secretary's Report

Many Thanks to the Members of our Supporters Club for respecting the timelines to renew their membership, it not only assists the secretary in the administration of his duties but contributes to the finances of our club and provides the President and his committee a clearer picture of the club's financial health.

We have announced an Amnesty to past members who would like to renew their membership and join their friends in the Club Room. Some well known faces are now back in their club thanks to this initiative. Good to see you all and Haste Ye Back !

Membership Cards for those without, will be printed shortly. I had wanted to have 1 reprint only and have a few members to accommodate, if you feel you require an edit or a card please contact me asap as I will be requesting new cards Thursday February 26th.

Thanks to the members who have requested an email only copy of the newsletter!

On the Park: We are winless in the last 3 games. It would appear we have too many passengers in this team at the minute. Nicky Law disappears too often and has to learn to keep his eyes open when going in for a header! Wee Blackie at least doesn't shy away from the ball. The forwarders are not taking their chances and sitters R us by the looks of it. What was encouraging were 3 shots ON GOALS in the first 10 minutes of the Hibs game! As one member commented "there is actually some excitement"!

I think the 6 changes management made to the starting 11 was inevitable and the desire to win was quite clear by the performance on the pitch but we must take our chances as goals win matches!

The much anticipated EGM hopefully will bring about change that will lift these players and help us see our team promoted back to the Scottish Premier League

See You in the Club
