

President's Message

What a great thrill to be back in the Quarterfinals of the Scottish Cup. Rangers are very close to being back where they belong, in the Premier League and at the top of their game.

Burns Night was a smashing success at the club again this year. A big thanks to Alistair McFarlane for putting it all together.

We have a few things coming up at the club Sunday March 20th we will have a "Welcome to Spring" BBQ with free live entertainment .Derek and Steve's Acoustic Show will play from 2pm to 5pm..

The club will also be hosting a fundraiser for the Govan Protestant Boys to help with their costs to attend the NARSA Convention in Vancouver, Saturday April 23rd ..Tickets are \$10 available through Scott Allan.

We are also looking to bring back the Mixed Golf Tournament this summer along with a few more entertainment ideas to bring people out.

I would like to thank Kenny Cree and Rick Stark for helping us out with issues at the club.

Great to hear that Tommy Scade was released from hospital and is resting at home .Also a speedy recovery to Bill Simpson who just had surgery.

I would like to apologize to John Dick on behalf of the executive, for late sympathies to his wife who had a heart attack late last year. We are glad to hear she is doing better now.

On that note, if you know of any member or his family that is sick or ailing, please let me or an Executive member know, and we will send out our best wishes.

We are still looking for a Secretary and barmen...please, if you can, step up and help your club.

Hope to see you soon for a drink and a blether at the bar.
Stuart McFarlane

President

Secretary's Report

Eight Points clear after a beautiful high volley from Kenny Miller against Queen of the South today. Yes, it's true Hibs have a game in hand but they haven't won anything yet.

So 11 games left in League play and the Championship is ours to take. I would be more confident if we could find the back of the net with more frequency, after all the first three games in January we bagged 16 goals, the last 7 games I think we tallied 8 goals! Today, Wes Foderingham saved our skin with some great saves but we need more from the team to win these last 11 games

Regardless we will all be watching until the last game April 30th in Paisley.

Many Thanks to all the Members who have stepped up and renewed their membership, from the Treasurers desk its very much appreciated, Thank You

Stuart and his Entertainment Committee have been working hard to get engagements on the calendar so if there are any events you are interested in attending please get your tickets early so as not to disappoint. Stuart, Gordy or Stevie can all help

As I close, my thoughts are with Tommy Scade and Bill Simpson, two members who are highly passionate about the Gers and their Bramalea Club but through ill health are unable to enjoy the spirit and camaraderie of their clubroom.
