President's Message

It is with great pride that I address the membership of the Bramalea Glasgow Rangers Club as President. I would like to thank the membership for their vote of confidence. I would also like to pay tribute to the past Presidents who have had the honor of writing this letter. I have some big shoes to fill. The Glasgow Rangers Football Club is not what we are used to right now but we must stay the course. I personally hope the current regime is replaced as soon as possible. The departure of Lewis McLeod was devastating to say the least and hopefully the ones that deserve to stay, will. By all accounts New Year's Eve and New Year's Day were a huge success and hopefully we can continue the trend next year.

On a personal note as a "Dad" I would like to acknowledge Rick Stark, Kyle & Family for the recent loss of their beloved Joanne. On behalf of the Bramalea Rangers Supporters Club I would like to offer our sincerest condolences.

We have a great committee this year that is committed to doing what's right for the club. At the January general meeting we will discuss the "Constitution" as well as anything the membership deem to be important. Our Club is open for functions so please do not hesitate to contact myself or any member of the Committee for a booking.

We have a big day on February 1st at the club. The Old Firm game at 8:30 followed by the Texas Hold'Em and the Superbowl later on.

Rangers vs. Celtic: it's been a while. Let's hope that we can show them that we still belong in the Premiership. "Follow Follow". In closing I would like to invite every member to come support your team on February 1st and show them that "We Are The People".

Respectfully,
David McDowall

Secretary's Report

Happy New Year Everyone!

As you can see from the ribbon above we will be 30 years old this year. Wonder how many members still remember that meeting in the Bramalea Legion? Stay tuned for more on the club's anniversary.

A Few Good Men have held the position of Secretary and I hope to maintain the standards set by the likes of Wee Jimmy, Billy, Rammer, Ally and Noel. Always open to new ideas for content and messages, let me know.....

I am accepting email addresses from those who prefer an emailed copy of the Newsletter, which will have a very positive impact on Club Expenses and keep our Treasurer a happy man, email me at fraser@bramalearangersclub.com

On the Park; I always knew with Stages 1 and 2 complete, 2015 would be a 'Season of Change'. I never thought that change would include 13 points off first place, Coisty gone and the Culture of our Great Club stricken with Layoffs, Emergency Loans and a big dark cloud of uncertainty. I hope the new shareholders in the 3 Bears and Mr. King can influence the shareholders to bring the Winds of Change to restore Order and bring back the Harmony which will enable us to focus on football and get us back to competing at the highest levels.

Upcoming Games Include
