**PRESIDENTS REPORT:**

What an end to the season who would have thought it would have been so close, just the way we like it. The helicopter was held to the end of the game not knowing which park to go to making the atmosphere of the game fantastic, maybe the Scottish Cup suffered from the anti climax blues or half of our club had to go to work that day the turnout was terrible it is a sad situation that we take weaker teams for granted or maybe we take our own club for granted I am not quite sure.

Just a couple of changes in our club décor the new dance floor has been laid and by all accounts it seems to be a hit by the members, it is larger and darker hopefully we will get the doors painted in time for the homecoming weekend event. I hope you have your tickets for the event, The sales of the tickets are going really fast and because this is a club function members **CAN BE REFUSED ENTRY** if they have not purchased a ticket for the event-all the volunteers have purchased the six dollar tickets.

Now that the NARSA convention is over it is time to reflect on the mishap that occurred, We the committee forgot the Bramalea banner even though we have 220 members and the question of who was taking the banner was never raised, unfortunately at the convention it did not look good that the largest club in NARSA did not have their banner on display for that I take full responsibility other than I think it was a huge success. The blue night was great and the main function was very well attended by the Bramalea club along with representation from other clubs, the meal and the service were excellent the Niagara club has to be congratulated. Unfortunately the **June meeting has been cancelled** June 21st is fathers day and June 28th is the homecoming weekend, Our monthly meeting will resume in July.

**GOLF:**

The golf season is well under way for the Thursday 9 hole golfers at Mayfield, If you would like to have a game the TEE off time is between 11.00 and 12pm. \$29.50 cart included.

The annual RAN/CEL golf tournament is being held on August 1st at Mayfield. Tee off time is 1.30pm with a shot gun start, the scoring will be the same as last year two points for a win and one for a tie, all holes must be played.

The RAN/CELL tournament was well attended last year with a 148 golfers turning out to support the charity event. This year the Rangers club will be the host club for the dinner and awarding the Andy Rumsby trophy to the winning club.

At last year tournament the committee recommended to the golfers that the proceeds from the tournament be given to the dogs with wing charity for the 2009 tournament. (For more information on DOGS WITH WINGS log onto <http://www.dogswithwings.ca/home-p.htm>) the golfers raised their voices in approval to donate the proceeds to the charity. There is no change to the price from last years price of \$85.00 per person which includes your golf cart prizes and dinner. If you would like to sponsor a hole for \$100.00 or donate a prizes for the tournament, any donation for the tournament will be much appreciated BUT in the end it is about having a great day of golf and raising money for the charity.

Alex Morrison President.
