

President's Message

Well it just seemed like we finished the season and here we are looking at a new set of fixtures for the upcoming season

Starting with the League Cup tournament against Motherwell on July 16th. Nice to see teams like Hearts, Dundee and St Johnstone as opposed to Dumbarton, Morton and Queen of the South

The NARSA convention in Vancouver went very well, Great to see Willie Henderson, Colin Stein, "Bud" Johnstone and Fraser Aird in attendance

We will continue to work with RTV in bringing every game as possible to the club, Starting with the exhibition game against NASL side Charleston Battery on July 6th at 7pm

The Queens 90th Birthday party was a great success.. Thanks to Bill Lowry and Donald Cameron for all their help putting on a great night

The crowds have been great for the EURO 2016 Northern Ireland games, We will continue to open the club for all their games

We've noticed a dip in the club hall rentals this year, This is a big part of our income, so if you can spread the word to your family and friends, It's a great place to hold a birthday party, wedding shower or Jack and Jill...and much cheaper than other halls to rent

The executive have been trying some new things like poker nights, horsey days and Sunday BBQ's to drum up some business. Please come by and support our great wee club

The annual picnic will be on Sunday July 31st at Heart Lake (Hill and Dale site)...always a fun day

Hope to see you all in the club soon and a great start to the 2016 football season
