

## President's Message

Well the season has started off with a bang with Rangers playing very well in the **Betfred League Cup**. The **Premier League** starts **August 6<sup>th</sup> at 7:30am**. v Hamilton

It was a pleasure to present manager **Mark Warburton** with our club's Man of the Year Award, he seemed truly honoured to receive the award. He is very optimistic about the upcoming season and thinks the squad is very deep this year.

I took a wee tour around Ibrox...I saw some of the bricks at Ibrox including Tommy Scade and Bill Simpson..It is a very moving experience and a great thing that we do for our departed members

On August 20<sup>th</sup> the club is very excited to have **Elton Rohn** perform live This is a fantastic show..They are fresh off a five night gig at Deerhurst Resort and headlining both the Elton John convention in Las Vegas And the Detroit Music Festival with 10,000 people in attendance

It will be fantastic to see him in an intimate setting like your club. Showtime is 8pm \$25 including some light snacks... Talk to Gordon Brown for tickets

Speaking of Vegas, the rooms for the **NARSA** convention next June at the Flamingo are now on sale, Info is on both our website and the NARSA website

Our club golf tournament is slated for Sunday September 4<sup>th</sup> at Glen Eagles \$100 includes lunch at the course and dinner at the club..There will be a sign up sheet at the club.

A wee shout out to John McCormick, who is have a few little health issues. Even though he's in Belfast, our thoughts for a speedy recovery are with him

Hope to see you all in the club soon

The beer is extra cold when it's hot outside!

Stuart McFarlane - President

## Secretary's Report

Another successful Sunday afternoon BBQ on the weekend as Norman Mason hosted the members introducing his new CD. 'Reminiscing'. A wonderful collection of songs and Normans performance was greatly enjoyed by those in the club room. Norman does have CDs available for sale at \$5 each, contact him directly. Well done to Stuart and his committee who have livened up Sunday afternoons in the club.

We are now 6 games deep with our new look team and some of the signings are showing we are in for an exciting season. Windass, Krancjar, Hodson and Barton have given us glimpses of what to expect. We need to finish better in front of the goals and or defense requires some serious attention

We have had a number of visitors from Scotland in recent weeks for matches and it's great to see their appreciation and the impression our Wee Club has on them.

Well Done to our President Stuart McFarlane on his recent trip to Scotland where he presented Rangers Manager Mark Warburton with the MAN of The Year Award on behalf of the members . Stuart does a great job flying the Bramalea Glasgow Rangers Supporters Flag on his travels and this contributes to the draw of visitors to our club.

**Next Match:**SPL vs Hamilton Saturday Aug 6th 730 am

See you in Your Club  
Fraser
