Presidents Report

Well I never in a million years thought for a moment that I would have the honour of being President of, in my opinion, the best Rangers Supporters Club in the world. I will definitely tell David King "its your round" the supporters have done their bit and "we will be back"

Although I am a bit rusty, I'm sure with the support that I have already received from the newly formed committee, I will be fine. Although the membership has been reduced through the passing of loved ones and moving etc. we are still a large club so if we can all get interested again, Rangers can get us where we belong and then we will definitely have a big party.

Secretary's Report

The month is flying in isn't it? A busy few weeks at the club. Christmas Eve was a great afternoon a real Rangers family atmosphere, Danny Mills did a fantastic job keeping the tunes coming! New Years Eve was another success and what can we say about New Years Day except that the club was rocking! What a band the Fabulous Knockouts are and Joe Cully is an outstanding DJ. Thanks to everyone who came out and to all those that helped with brining 2016 to a close and ensuring 2017 got off to an amazing start. Just to very quickly echo some of Stuarts comments in the December newsletter. I have not been a member for very long, I have to tell you that the feeling of welcome I have received, the new friends I have made and the reconnecting with old friends and family at this club is beyond words. Thanks so very much, I am proud to be your Secretary and with your help I will do the best I can for you all.
