

President's Message

At our last meeting it was passed that there would be no July meeting due to the busy schedule at the club. With the passing of Peter Liddle it was agreed that we would be outsourcing our accounting for the club, a small cost for the club but we need to make sure our club complies with all the tax regulations.

It was nice to see a fresh group of players against Burnley even though it was a friendly, I personally thought that the team was wanting to play football and at times did. The new signings looked good and overall I thought a good performance. I hope you all have got your tickets for the 30th Anniversary as the ticket sales are going well with at least 8 clubs so far who have bought tickets. Please show your support to your club as 30 years is absolutely brilliant for a small club thousands of miles from Glasgow. We should be proud of our founding members and the hard working committees over the 30 years that have kept the club in beautiful shape. Please see Stuart McFarlane for tickets, only \$20.

The Blue Night was a great night, I for one enjoyed myself as did most that were there. Thanks to the Cambridge True Blues and Norman Mason. Gordon Brown tells me that the tickets for ABBA and Johnny Johnstone are flying out of his hands. Both should be great shows. The RANCEL Golf is on August 1st and there is still availability so please contact David McDowall or Fraser Currie if you want to play is it always for a good cause and it is back at "our" club this year.

For the upcoming season there have been a lot of changes to the day and start times so please call the hotline of the club to find out the times. There will also be a posting on the website for those who know how to "surf the net". "Wee Tommy" has been in the club as usual supporting his team and his club with that BIG SMILE, Thanks Tommy.

In closing I would like to thank you the membership for supporting the club so far through the summer in our normal slow time this only helps the club survive and keep it the "Best club in the world"

"We are the people"

David McDowall

Secretary's Report

Many positive signs on the park at Ibrox these days with a new crop of young players playing for each other and looking like they want to be there! Some solid performances from Wagthorn, Halliday and Tavernier, I certainly hope they can continue till Seasons end.

One friendly against Burnely and a Cup game against the Hibeas and the turnout at the Club has been great. It's been good to see so many members out especially for the early morning kickoff at 730am. I am sure Gordons kitchen plays a 'roll' as he was kept busy Saturday morning

While there has been no Live Football broadcasts this past month the club has been kept busy with every Friday and Saturday night, reserved, primarily for Private Functions. Our Club shows well and we could have rented out some Saturdays 4 times over. Please ensure your hall rental form has been completed and confirmed as we do not like to disappoint

Our Club was well represented at the Cambridge True Blues annual Golf Tournament in July and I hope we see the same enthusiasm as we venture into our Annual Charity game with the Bramalea Celtic Club Aug 1st. The Andy Rumsby Trophy always shines in our Trophy Cabinet! Bring you're A Game !

The Clubs Annual Picnic is August 2nd at Heart Lake Conservation in the Hill and Dale Section starting at 1pm Our Vice President Stuart McFarlane looks forward to seeing you all then

The response to our 30th Anniversary Party from the Greater Rangers Family has been very positive. For those planning to attend, please see Stuart McFarlane for tickets

Our next game is Sunday August 2nd against Peterhead in the 1st Round of the League Cup at 10am.

See you down the Club
