

President's Message

Hello everyone. Well, the World Cup is over which was one of the better World Cups I have watched but thankfully for us, just before the tournament came to a end, the real fitba started, The RANGERS are back! After watching them really play some nice flowing stuff against Bury it definitely gave me confidence to put Shkupi to the sword at Ibrox. But it was like watching last season all over again. Was it a case of nerves because of last year? We managed to scrape through after 2 legs & onto the next round & hopefully some better performances as we really need to hit the ground running when the league starts in a few weeks.

Now to the club, as some of you have seen the club has been given a fresh coat of paint and the floor in front of the bar was refinished, although a bit of extra work was put into the floor where Tommy Kingsberry stands, as it was worn away very bad 🙄. The club looks so fresh and clean now after all the paint work which has been done over the last few weeks a big thanks goes to Andy Patterson & his apprentice Ally McFarlane for a fine job done . The club has done a lot of work over the past few months which was necessary and spent some money in the process to maintain our High Standards, so we look forward to seeing our members coming out to support our Team in the new season, watch the schedule for our game days and kickoff times games or just to visit the club for a few pints with friends.

One thing I ask of all the members to do is to try and promote the club to friends and family or any one they may know looking for a place to rent for any type of party or celebration. Functions really help the club a lot. Before I go, a big thanks to Audrey Cole for taking the curtains to go get cleaned they look stunning again and to Tommy Kingsberry & Ian Gordon for helping to clean & put the pictures back up again and Scott Cole for helping put the pelmets & curtains back up. Anyway, hope to see you all in the club soon.

LET'S GO, WE ARE THE PEOPLE

Secretary's Report

Over 40,000 supporters bailed on a World Cup quarter final televised match to attend Ibrox and support new manager Steven Gerrard and his new look team for a friendly against Bury. A 6-0 victory and our back four gave us all the confidence we could hope for, Goldson, Katic and Flanigan along with new Team Captain James Tavernier put in solid efforts and even contributed with goals The first Round of the Europa Cup we would surely be tougher competition and that was definitely the case. A 2-0 home win with numerous missed chances and a scoreless away draw sees us move on to Round 2 with a tough Croatian opponent in Osijek There isn't much time for Gerrard to integrate his new signings into his squad for European Competition but they will no doubt be eager to get going. New signings Nigerian striker Umar Sadiq on loan from Roma and midfielder Lassana Coulibaly from Angers in France will want a runout A friendly against Wigan between the two Europa 2nd round fixtures provides Stevie G with quality football time to assemble a competitive team for our first SPFL fixture against Aberdeen August 5th

The Club Room looks great, a lot of hard work and commitment from the members made it happen. To all those involved Thank You.

Well done to Sammy Murdock for running a Mixed Golf Tournament complete with dinner and entertainment at the club. The Folks I saw that Saturday night were having nothing but Fun! Brilliant!

The Blue Night this year had a renewed energy which made the night. The DJ was brilliant and the Band were tight. Well Done to the organizers
