

President's Message

It is with a heavy heart I start this letter, Peter Liddle passed away on June 6th, 2015. Peter was a great servant to the club over the years, keeping our books in shape and making sure as President you didn't spend too much. He was a good member who cared about his club and will be hard to replace. Christine remember you have lots of friends at the club.

With the beginning of summer brings the beginning of a new Rangers team. The new management team of Mark Warburton and Davy Weir in my opinion have made a great start with the signing of Danny Wilson and Rob Kiernan, hopefully more to come. There are cup games on July 25th with the first league game on August 8th, stay tuned to the website for upcoming games. There is a lot of entertainment coming to the club so please call Gordon Brown for tickets. Gordon Brown is by far the best ticket seller there is, and probably the hardest working guy in the club. He does the 50/50 the "pieces n sausage", golf tournaments, and entertainment. In between cutting all his neighbors lawns and looking after the grand kids. Thanks Gordon.

I would like to thank the euchre group for giving up there Fridays in July due to club bookings. We still want the euchre group to be a regular feature on Friday nights as well as the bingo. The Blue night is one of those Fridays, so come down to the club on July 10th and be entertained.

Wee Tommy Scade and Brian Nicholson are going through a few health issues right now, and I wish both a speedy recovery. Pick up the phone and give them a wee call.

"We are the people"

David McDowall

Secretary's Report

Congratulations to Mark Warburton on his appointment as Rangers Manager and to Davie Weir as his assistant. Change hasn't always been good for us in recent times but I think we have two driven Winners that are prepared to give it their all as we strive to return to Top Flight football.

The NARSA Convention this year was held in Redondo Beach CA hosted by the OCRSC. T² was a great spot with Awesome Sunsets The Host Club were very well organised and 500 Bears lapped up all they had to offer. Well Done to Gordon Smith for his performance of Calendonia Great Stuff! Roll on Vancouver

My Condolences go out to the Liddle Family on their recent loss. Peter was a loyal and hardworking member for the Bramalea GRSC and his efforts were always greatly appreciated. His wonderful wry sense of humour will be missed by all.

July 25th is confirmed as our first match in the Petrofac Training Cup with the opposition set to be announced. The Off Season is always a drag, never mind the constant speculation, so see you down the Club for Kickoff
