President's Message

Hello, Hello! Summer is here, weather is great and Rangers are back in training, happy days Well the draw for the Europa League was made and we got he Macedonian powerhouse Shkupi. The game will be played on July 12<sup>th</sup> so we should win 1690 to nil but seriously after last year I'll not take anything for granted

We really should win as I have been very happy with our defensive signings which really was a must after the crap we had in defence last season. Hopefully, we get another striker as we need strengthening there too

We have been kept entertained with the World Cup and our pool has been very well supported. Big thanks to Colin, Gavin and Myles for their hard work in making this happen.

If you have been in the club on a Thursday lately you have had the opportunity to taste some of Scott Coles culinary delights. Many thanks to Scott for taking this on the members are enjoying the great selections offered and many flavours too Thanks to Ian and Fay Maclaughlan for their recent launch offerings during last Saturdays World Cup games, delicious!

As we continue to upgrade and improve our club Alistair MacFarlane and Andy Patterson have begun painting the club from top to bottom, hope you can all get out to see he great work they have done

Have a Great Summer!

WATP

Secretary's Report

RIP Johnny Hubbard "The Penalty King" The Wee man converted 65 of 68 penalties taken, some record. Ironically, Rangers first friendly in July is against Hubbard's other team Bury, coincidence?

The First round of the Europa Cup sees Rangers face Shkupi of Macedonia. Could be an interesting away match as the local Albanian Supporters (The Smugglers) have a reputation of stealing visiting fans banners.

Rangers continue to be very active in the transfer market Leaving Rangers

Joe Doodoo moved to Blackpool loan  
Jason Holt to Fleetwood Town loan.
