PRESIDENT'S REPORT:

It doesn't get any better when you go home for a holiday and get great weather. The people are still the same but the atmosphere is different. It would have been brilliant if we had made the Scottish Cup Final but never the less we did have a great season, League Champions again, but as they say at Rangers, 'no dough but two in a row' .

I really felt bad that Anne and I never got a chance to see Eric and Laura Caldwell. They were so disappointed when we called but we just ran out of time. I hope I have a chance to make it up to them. Laura said they love to read the newsletter every month.

It's good to know that the members appreciate the work that goes into the newsletter. Ally and Donald do a fantastic job. I just hope Ally will be fit enough to continue as you have read from Donald's column. Our love and best wishes go to Ally but with Kathy looking after him I'm sure he will be fine.

I am inviting all of you to come, bring your friends to see the renovations that have taken place. New high definition projector, new ceiling, new lighting and a lot of hard work that has been put in by a few individuals, namely, Jimmy Duncan, Archie Hollinsworth, Don McCormack and Dave McKinney, and including the many volunteers that put up the ceiling. If you can help in any way with future renovations it would be greatly appreciated.

Because it is summer time the club does not close down. If you can make an effort, please support **your** club by bringing your family and friends in for a wee drink or two.

Alex Morrison,
President

RECOVERING:

For those who may not be aware Alistair McFarlane (club secretary) was in Scotland to visit his mother and was suddenly taken ill and hospitalized for a week and half in Stirling and Falkirk.

The good news is he is now out of hospital and is recovering at his mothers home.

Alistair made a call to the club on June 18th to thank the members for the support that he has been receiving from the phone calls and the get well cards.

Kathy has been keeping us up to date with her e-mails on Alistair's progress.

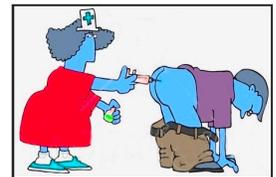

Kathy your strength will see him through his period of recovery.

Thanks to Sandra Smith who while in Scotland took the time to go and visit Alistair in hospital (it had nothing do with that she is a fellow Jambo supporter and from Sunny Leith).

From the club members, friends and RAN/CEL committee we are thinking of you and are hoping you come home soon.

To all members and there family we hope that we find you in good spirits and healthily.

If you know of a member/family who is not well please contact a committee member so it can be added to the next news letter.

CLUB EVENT:
