President's Message

As I am writing this message to the Membership the sun is shining & the snow finally melting. The club has that buzz about it now with the change in the weather and hopefully better times for R.F.C. The new directors lead by Dave King will hopefully put Rangers Football Club on top of Scottish Football and a place in Europe. "Long Live the King". Our new manager Stuart McCaul was a great player at Rangers and now has a chance to manage them. The performance of the team lately has been terrible at best but the future is looking good.

It was nice to see Sandy McLaughlin back in the club after a little visit to the Hospital, a wee bit skinnier but still wearing a big smile. Davy McKean is back to his old self slugging all his pals at the bar. Just as well big Mitchell has a good sense of humour. Last Friday afternoon, the patter at the bar was magic, nobody wanted to leave that's the way we like it.

I would like to thank Scott Allan for installing the new water heater & dishwasher. Also a big thanks to Jordan McKinney for electrical work. Big Ian Gordon & Davy McMaster (Laurel & Hardy) have been keeping up the maintenance at the club, nobody can change light bulbs the way they can. The club has some great entertainment lined up in the next couple of months so go to the website or check the newsletter for information. We need your support to keep the club ticking over. If you know of someone looking to have a party, the club is the place.

In closing, I could not forget to mention "Bucky Swain" for those who knew him, he always had a big smile and an infectious laugh. He had not been well for some time and not around the club, but that doesn't mean we forget. Sam Murdoch is planning a **celebration of Bucky's life** on **April 4th**, at the Club please attend if you can.

"ABSENT FRIENDS"

Respectfully yours,

David McDowall

Secretary's Report

STUART MCCALL signs on as manager until the end of the season!

A very **Brave** decision by the ex-Rangers midfielder which will bring a much needed change to our Team. With three wins in the last 10 games it was inevitable that Kenny McDowall would have to step aside.

I hope Stuart's voice in the dressing room delivers the inspiration to the players and drives them to secure a playoff position for which can only bring a Battle of Battles to achieve promotion to the SPL

Many Thanks to the members of our Great Wee Club as Yearly Dues continue to roll in and consequently our numbers grow.

On behalf of the Club Members, I would like to offer Sincere Condolences to the Swain and Jameson families on recent loss of a loved one. Our Thoughts and Prayers are with you All.

The Domino season is coming to a close on April 11th which also means we are seeing an end to winter, as harsh as the winter has been the league did not cancel one game which shows the reliance of the players to come out for a game with poor driving conditions.

The league has five games left in the season and it looks like it is going to be a tight race to the finish with three teams currently tied for first place and vying for the title of Domino League Champions of the Bramalea Glasgow Rangers Supporters Club. At the other end of the table we have a couple of teams battling it out, each team claims they have not been getting a good hand of dominoes or the other team was lucky.

The league lost two of its regular players this season "DAVID SHANKS" and "RAB COLE". Both players loved to play dominoes and had a great sense of humour and were sadly missed during the games. David for his quick come backs on something you said to him and Rab for his opinion on how you played a game.

The league will be holding their annual dinner / awards night on Saturday May 2nd at the club, Tickets are \$10.00 per person (contact Jim Sloss or Donald Cameron for tickets) to non domino players, no charge to players and spares. Billy Harper will be our entertainment along with players and guests who will also entertain us with their party pieces (Tommy Kingsberry giving us his Doris Day impersonation, that you can't miss). Dinner will be served at 7.30.

The league would like to thank all the spares who also came out in the poor weather to fill in for missing players, Alex Morrison for bar service to the tables and to all who participated in the weekly 50/50 draw.

Hope to see you at the awards night!

Until then. Keep on chapping!!!!

Donald Cameron: Protector of the rules.

Jim Sloss: Minister of finance.
