

President's Message

Well let's not let the loss in the Scottish Cup detract from an absolutely brilliant season for Ranger..
A Petrofac Training Challenge Cup win, a terrific win over Celtic and more importantly promotion back to the Premier League.

I would like to thank Jim Sloss and Tommy Kingsberry for doing a great job at the door on match days.
Thanks to Gordon Brown and Stephen Welsh for providing the roll and sausage (with onions) on the early kickoffs.

Good to see Johnnie Johnston back in the club...A good wee afternoon for Mothers Day.

There are a few things coming up in the club. The Queens Birthday Party on June 11th.

The next day we will be showing the Northern Ireland game against Poland at noon.
Followed by another Sunday Summer BBQ's This time featuring award winning Michael Theodore and Walter E Lee at 2pm, What a busy weekend that should be.

The club will be open for all the Northern Ireland games in EURO 2016.

The NARSA convention will take place in Vancouver on June 2- 4th.

I will be attending with a few other members and will hopefully have a report on the upcoming season for Rangers and TV rights.

The club lost another member last month. Bill Simpson worked the bar over the last few years.
Sadly cancer took another good member far too soon.

Hope to see you over the summer months and help keep the club strong.
Won't be long until we'll be kicking off another fantastic season.
