President's Message

Well I'm sure everyone is glad this season is over. It was nothing less than shocking and pathetic, especially our home form, I cannot believe we lost 25 points at home. I look forward to most of the players leaving and let another season of rebuilding begin with Stevie G in charge. I don't think many of us expected that to happen and he will definitely have to make us contenders again. Steve does bring a great reputation as a leader but that was as a player, hopefully, he brings that with him into management, It's going to be a few interesting weeks ahead. So with the season finishing it also brings the end to the domino season and the great wee crowd it brings into the club on a Saturday afternoon, so we have to try and do something to bring people in on a Saturday afternoon. I spoke to Scott Cole about doing some food specials for the FA CUP FINAL he decided to do his worldfamous jambalaya as well as Italian sausage with onions and peppers! It brought out a nice crowd for the game thanks to everyone who decided to come watch it in the club. Scott is doing other food specials for the champions league final 2.45 ko hopefully see a good crowd again. Also, he is going to check the World Cup schedule & do some food specials for the later games at the weekends so keep in touch with our Facebook page or website for the details. The convention is coming up and there is a few of us going, hopefully we all have a great time as myself and the club are wishing David McDowall & Fraser Currie all the best in there quest to become Treasurer & Northeast rep of NARSA EXECUTIVE COMMITTEE. Anyway I better go serve Shug he wants to buy rusty a drink for his birthday see you all soon

Secretary's Report

The Smile says it all! I am glad to be here, I want to be here Bring it On!

The BIGGEST Headline in Scottish Football this season, unquestionably is the announcement of Steven Gerard as Rangers Manager.

"Ave been around footballers all me life, I won't take long to figure out who wants to be here"

Good enough for me Stevie G but if you need me to Pena list for you, that's nae bother tae

While we wait on our new manager arriving June 1st the club has already been active in the transfer market. Jamie Murphy has transitioned from a loan signing to a permanent deal, midfielder Scott Arfield completed a four year deal from Burnley and Goalkeeper Allan McGregor has returned to complete some unfinished business on a two year deal. A big centre half would be nice Stevie Many Thanks to everyone involved with the Carmela Long night, what a great evening. Packed dance floor, a busy bar and a few sing songs, brilliant!

Some members have asked if we will bring back the Queen tribute band, What do you think? Let a member of the Executive know.

Anyone interested in helping with bartender duties should let Scott Allan know

Cheers
Fraser
