President's Message

Well guys I'm writing this letter the night before the Kilmarnock game which I'll be at hopefully seeing rangers getting back to winning ways after such a disheartening loss against them . I had the privilege of being in the directors box for that game it was a great experience with some great legends in the blue room, Walter Smith , Alec McLeish , Richard Gough, Peter McCloy and Derek Parlane, I had planned to get a few pics but after the game I was just so down from the result, I didn't even bother as I really did expect a result. I'm sure most of you did too, hopefully, we can stop them from getting the treble in a few weeks. Well as most of you have seen there has been some work in the club the new ceiling looks fantastic I know there has been a few others things done since I left I've seen some pictures & they look great so a big thanks to David McDowall & David Borgan for getting the teams together to help with the work so if you haven't seen the improvements yet try & get down to see the work done . The club is definitely going in the right direction and we should all be proud of that . See you all soon. We are the people

Tough couple of results in the last 2 weeks. We were on a 6 game winning streak including progressing to the Semi Final of the Scottish Cup. Not winning the Auld Firm match with an Extra Man for 30 minutes was hard to take. We had more of the ball and more shots on goals but still managed to lose by a goal they scored after they had a man sent off. A well organised and determined Kilmarnock side went on to take another 3 points off us this weekend. I can only hope the players ask some hard questions of themselves.

A number of renovation projects have been scheduled at the club. The ceiling tiles have been replaced and the buffet tables too. The stage will be recovered next and then the kitchen renovated, including new cabinets. The work should not interfere with our regular opening hours. A number of members have graciously volunteered their time and for that we are all thankful. I must tip my hat however, to John Caldwell and Tyler Vincent for their efforts unravelling the nest of wire and cable that was hidden behind the ceiling tiles as well as the new cabling they have provided. Well Done Lads

Congratulations to Gordon Brown on his Lifetime Membership. Gordon works tirelessly for the club with his morning breakfasts, 50/50 draws, Entertainment, kids Christmas Parties and Golf Tournaments. Many of his events and efforts have resulted on impressive Revenues and Income for our club on a yearly basis over a long period of time. A Well Deserved appointment indeed

Cheers
