President's Message

It was nice to see such a big turnout at the last meeting. It is your club and you the membership should have a say in how it is run. This month's newsletter is delayed due to our run in the playoffs. I was hoping for a much better result against Motherwell, but it was not to be. We can make all the excuses we want but in the end we are not good enough yet. I want to thank the members who came to the games and support their team no matter what. A big thank you to Jim and Tommy for doing the door. Alex for doing the bar, Gordon for the "rolls 'n' sausage" and the talented Rammer on the mic. Next season wont be too far away so don't forget to support your club. Our next monthly meeting will be June 7th @ 2:30pm, delayed due to the last game.

Some of our members are going to Redondo Beach for the NARSA Convention. I hope they have a good time. Scott Allan is doing the charity walk to the Hollywood sign, so please sponsor him if you can it is for a good cause. The golfers have started at Mayfield on Thursday mornings so join them and come back to the club for a pint or two. The Elton Rohn night was a big hit at the club and Gordon Brown has more top class entertainment coming in the next couple of months.

Our website has been down due to Donald's computer being worn out. We have him fixed up now, so stay tuned for new updates. We appreciate Donald's hard work over the years maintaining the site. Blue Night this year is July 10th so mark it down so you don't miss a great night with the Cambridge Crown Defenders & DJ Norm Mason for entertainment. A couple of our "younger" members have become grandfathers, well done to Allan Johnstone and John Caldwell.

Enjoy the summer weather while it lasts and when you get thirsty after cutting the grass come down for a nice cold pint at the club and have a laugh or two.

Respectfully yours,

David McDowall

Secretary's Report

After a great Saturday, meeting up with fellow Bluenoses in Cambridge for the Annual Golf Challenge, the weekend ended in a very very disappointing 3nil drubbing by a nearly average Motherwell football team. It was always a Big Ask for that Rangers team to win 6 playoff games and re enter the SPL and we can all call it what we want tired Legs, Boyd and Miller or defensive erros, at the end of the day we were a poor lot. I never believed a 2nd tour of the Championship would benefit us in terms of Playing Staff reorgs and that attaining Premier League Status was a must. However, reality has settled in and I am now thinking more Long Term ,New Manager and New Playing Staff. Who would you pick for a new look Rangers , manager or players to win the championship and ultimately go on to challenge for the SPL?

Although we have ended regular season football the club does remain busy. There are club functions with a Tom Jones and Elvis Night June 27th, an old Favourite Johnny Johnston July 26th the Clubs 30th Anniversary celebration August 22nd and an Abbamania group Aug 29th . Please check with Stuart MacFarlane or Gordon Brown for tickets and times.

The Annual Club Picnic is August 2nd at Heart Lake Conservation area at 1pm please check with Stuart MacFarlane for further details

The Championship Final between Juventus and Barcelona will be screened Live Saturday June 6th from Berlin at the Club.
