### SECRETARY'S REPORT:

Our President and First Lady are on vacation in Bonnie Scotland and the weather is fantastic, according to the weather channel.

When writing this newsletter you always think I have everything covered and then after print you think why did I miss that or not mention a particular member, this was the case last month when I wrote about the three euchre / bingo musketeers and forgot there is a fourth and probably the most important one just like the real musketeers and that is Mr. Bobby Brown. Bobby along with wife Mary are at the club by 7pm setting up tables and bingo machine making sure all is in order for the players to come in and enjoy their game and set the tone for the evening. Bobby and Mary please accept my apologies for missing you last month, however you got the star billing this month to make up for my error. If anyone would like to join Bobby and Mary for a wee game and some refreshment please do so the euchre starts at 8pm followed by bingo.

Gordon Brown our entertainment guru sells 50/50 tickets and has done well for the club by it, the following have been the lucky \$100.00 winners so far Ralph Briggs, Sammy Murdock, Al McFarlane, Gary Creelman and Joall McGeachie with the main draw for \$500.00 happening at our monthly meeting May-31-2010. Good luck to one and all.

The Billy Graham Memorial award / domino banquet has come and gone for another year and what a banquet it was. The hall was decorated to a tee the food was exquisite with the entertainment next to none. Our winners Sammy and Davy were proud to have won such an important award so proud in fact Sammy took the award home (just for a week) who can blame him the NHL let the Stanley cup go to the players home, our award usually hangs in the club for all to see. Runners up Jackie and Andy were there to collect their brass, Martin was there to collect the golden chicken for himself and partner Norrie who was on vacation, it is the first time our golden chicken laid an egg so that is a good sign for the boys for next season. Rab Cole picked up a special award for being our super sub. Billy Harper spearheaded our evening followed by the Three Tenors and then some, I must admit the Doris Day tribute was quite touching especially when our tribute singer (Tallships) told Billy what key to play in. We look forward to October when our season starts all over again and all going well some new faces will be joining us. Until then "Keep on chapping."

The plans for the 25th anniversary are well underway the Holiday Inn being the venue with entertainment under Gordon Brown's spell. Jim Convery will be our emcee for the evening and we all know what a first class job will be done by Jim.

Our monthly meeting will be held on May-31-2010 at 2.30pm sharp, please plan to attend.

Alistair McFarlane  
Secretary

### DOMINOES:

The domino season went down to the last day of the season with four teams playing for first place.

After the dust had settled Team McAllister/Taylor and team Robinson/McDowall were tied for first place.

The singing duet (their motto is if you can't beat your opponents sing to them and throw them off their game) of McFarlane/Fritzgerald who were languishing second from the bottom of the league they knocked team Scade/Gordon out of contention for the league title for a third place finish.

The other team of Evans/Cameron fell to the Robinson/McDowall team for a fourth place finish. This set up a tie breaker game which was scheduled for May 8th at 3pm there was a good turn out from the domino players for the tie breaker to cheer them on.

The final out come was a 11 to 10 win for team Robinson/McDowall (Rab Mallen spared for Andy Taylor).

The final top three standings in the league were

1st Place: Team Sammy Robinson/David McDowall.

2nd Place: Team Jack McAllister/Andy Taylor.

3rd Place: Team Iain Gordon/Tommy Scade.

The sportsmanship team award (golden rubber chicken) went to team Martin Warnock /Norman Nelson (Norrie was on vacation)

The final league standings for all teams can be seen on the clubs web site.

Thanks to all the players and spares for making this a great season.

Until we play again  
keep on chapping
