PRESIDENT'S REPORT

Rangers are up and running in the third division and not very impressive, Ally must be having sleepless nights over the play on the field, the team must get their act together if nothing else for the Fans who have been loyal up to now and will continue to be loyal as long as they can see improvement at Ibrox I just hope the super one can pull it off.

The last two monthly meetings have been left in the capable hands of our Vice President Dave McDowall and I thank him for the work done in my absence due to my Mother's funeral. It is now time to get back to work for our club and members, and enjoy the harmony it has to offer. We have had some great entertainment at the club, and there is more great entertainment coming up as well as our weekly Rangers games, Bingo/Euchre on Friday nights which is becoming successful thanks to my advisor Noel Fitzgerald and his crew for all their hard work. Darts and Dominoes will be starting soon, so please keep in touch with us if you are interested in playing.

I look around our clubroom in awe to see how nice it looks and presents itself for the perfect venue for rental, our prices must be the best around and our beverages are very competitive, so if you know of any person or persons in need of a hall, bring them forth, Wedding Shower, Baby Shower, Birthday Party etc., the hall is licensed for 172 people and can seat comfortable 120 people.

To our sick and shut in members, please get well soon, our thoughts and prayers are with you.

The Shows at the club have been excellent, Gordon Brown is doing a fantastic job, so please do your best and try to support him, by coming out to the club and seeing for yourself.

The Night for "The Abba Revue" was great, a night that everyone seemed to enjoy, I thought they were brilliant, and I wasn't the only one.

It has been great to have these shows in our club and the support from members and friends is very much appreciated, and on page two of this newsletter, you will see a lot more nights coming up, so keep up supporting our club, it is much appreciated.

Danny Mills is the DJ at the shows, and doing a great job. Danny plays great music and keeps the "party" going, There is a night coming up, [I'm sorry I didn't have enough space on page two], on Saturday Sept 1st, {next Saturday} "LARNE EXILES AND FRIENDS" a get together for the club, **NO CHARGE** just a great wee night put on by Danny, so come out and enjoy a wee dance and a bit of Karaoke, the price is good.

The Club still has the best deal in town for rental, not only for Members, but everyone, check it out for all your Party needs, and after all the improvements, it is the best looking place anywhere in the area, \$100 00 rental, \$100.00 security deposit [which will be returned if no damage] plus the cost for two barmen, depending on your numbers, where would you get it, only at the **RANGERS CLUB.**

Please make sure you let me know of any members who are sick, in hospital or under the weather, then I'll send a wee card.
