PRESIDENT'S REPORT

The snow storm of the winter brought us to an abrupt halt on the 8th of the month even the euchre/bingo was cancelled however the next morning Rangers were playing Queens Park and the turnout was impressive I thank one and all who made their way to the club to support the boys in blue and your club.

February-17-13 will be our monthly meeting due to our annual visit on the 24th to Seneca Casino, Niagara Falls, New York. Gordon Brown has certainly created monsters when it comes to the casino the bus could do with being a wee bit bigger to accommodate all who want to go. Well done Gordon, and good luck every-one.

On the entertainment front our chairman Andy Paterson has to step down from the position due to work commitment but will remain on the committee, Gordon Brown will remain in the position with help from all of us to ensure the entertainment stays on a high level and his apprentice will be Scott Cole. Only the poker and Super Bowl this month and it was very successful for the club I thank Gordon again and all who helped him whether it was with food or general running the day--- thanks. The next big date will be March-23-13 when Tom Jones and Vila V will be our entertainment for the evening, so ladies come prepared and keep them in your handbag

The bar which Tony is taking care of this year is in good shape and if there is any ales or drinks you would like to see being served let the big man know and he will try to accommodate. We would like to have some more barmen so if you are interested let us know.

John Caldwell who is taking care of club maintenance and doing a good job I might add, he installed soap dispensers in the gents so we can remove the old ones from the mirrors. Oh I forgot we are getting a new mirror that way we can watch the hair falling out.

David Murray is taking care of N.A.R.S.A. and all is quite at the moment long may it continue but Davy will keep us informed I am sure of that.

Rangers are twenty points ahead in the league but we still have the games coming in and have to pay regardless if we watch them or not so please give the club your continued support.

To all our sick and shut in members and their families you get well soon.

"THE BOYS OF MURRAY PARK"

Are still playing well, and still top of the 3rd Division, at 22 points ahead.

We had a great time at the club at the Ulster/Scots night, Scott Allan brought a beautiful Ulster Scots flag which was on show all night, when he went to get it at nights end, it was gone. If someone picked it up for "safekeeping" please let Scott know, or take it back to the club we will make sure it is returned to him, thank you.

The BURNS NIGHT was a great success, all the Scottish Traditions came through, I am sure Robert Burns would have been proud when he saw how the Bramalea Rangers Club put on this special night. Lots & lots of pictures were taken, so check out the web site of the club and see how you all look.

Please don't forget the Bus to Seneca Casino Feb 24th, the bus leaves the club at 10:00 AM, back at 7:00 pm, just in time for the Oscars. Cost \$30.00 pp. Free draw on the bus, and \$25.00 back in chips to play the machines, a great deal, see Gordon Brown.

LAST CALL FOR DUES
