## **PRESIDENT'S REPORT**

There seems to be some hostilities in the club at the minute starting with the cancelled New Years eve dinner & dance let me clear this up, we were prepared to have the dinner dance as usual and regardless to my personnel life I would have been in attendance at our club as the club is highest on my priority list and to those who know me also know this to be true. We did not have enough names on the list to hold the dance eleven was the number and the same work goes into eleven as it would one hundred and the expenses would have been extortionate so the decision was made to cancel due to the lack of numbers and I therefore will not apologise to any member for saving money. Now saying what I just said we did spend the money on New Years day and what a day it was with a great response and a great bar where it counted. The next issue we had was with the piper on our Burns Night and HIS pick of tunes we as your executive and committee along with the D.J./MC had no idea what the piper was going to play and two tunes which were inappropriate to our club on any given night were played a verse of each and umbrage was taken with one of the tunes, all I can say is if we have the same piper again we will advise him of the tune selection so no one will get offended. (And this job was to get easier with time)

Staying with entertainment Gordon Brown has once again stepped up to the plate and held a Texas Hold Em! Poker day Feb-2-14 with resounding success thank you Gordon and thanks to all who supported this day. Gordon will be bringing us Pauly and the Goodfellows the history of Rock & Roll on Feb-22-14. \$20.00 per ticket this is another chance for the membership to show their support to their club. Mixed dart league on a Wednesday night and Euchre / Bingo on a Friday night all welcome.

N.A.R.S.A. meeting will be held at our club Mar-8-14 this date T.B.C. your attendance will be appreciated. Maintenance is good at the moment with Scott Allan tending to our plumbing jobs thank you.

To our sick and shut in members and your families we wish for you speedy recovery.

Alistair McFarlane (President)
