## **PRESIDENT'S REPORT**

**The President has gone to Scotland to see his Mother who hasn't been very well.**

**Alistair said he would try and E mail me his report, in time for the mail out, up to now I haven't received it, I will hold off as long as I can.**

**But I am sure Alistair has more important things on his mind, worrying about his Mother, as most of us know, this is the hardest thing for us immigrants, we are here raising our Families , and try to get back home to see our Family there, then sickness comes, and what do we do.**

**We just do our best, to make the right decision, it is not easy, in fact it can be heartbreaking.**

**I am sure you can understand what Alistair is going through, and hopefully it all turns out well.**

**Noel Fitzgerald  
For Alistair McFarlane  
President**

## **Secretary Report**

Well there is still no decision for Rangers, At time of writing, Rangers have been bought by the group headed by Charles Green, where will it all end, I'm sure we don't know. Now I see the SPL have slotted in "TEAM 12" in next Years schedule, in place of Rangers, and the other Teams in the SPL now must vote to accept Rangers back into the SPL, I wonder why other teams would vote no, and lose the money Rangers would bring on a game day with all their support. Worst case scenario, Rangers could finish up in the 3rd division. We all watch with baited breath.

The Shows at the club have been excellent, Gordon Brown has done a fantastic job, so please do your best and try to support him, by coming out to the club and seeing for yourself how enjoyable it really is, as the president has said, June and July have traditionally been very slow Months for us, No games, Dominoes, Darts or Football, so these nights, if well attended, make a big difference for our Club.

I mentioned the Rod Stewart Revue was a great night, and I'm sure the Night for "Roy Orbison and Kenny Rogers" will also be a hugh success, and many folk are already asking for tickets to see ABBA, on FRIDAY Aug 10th, cost \$25.00 per person, no food that night, as they cost quite a bit, this also promises to be a great night, so always get your tickets early and don't be disappointed.

Danny Mills is the DJ at the shows, during the break for the headliners, Danny plays great music and keeps the "party" going, then for a while there is a bit of KAREOKE to everyone's enjoyment, great fun for all.

The Club still has the best deal in town for rental, not only for Members, but everyone, check it out for all your Party needs, and after all the improvements, it is the best looking place anywhere in the area, \$100 00 rental, \$100.00 security deposit [which will be returned if no damage] plus the cost for two barmen, where would you get it, only at the RANGERS CLUB. .

The EURO CUP has been going pretty good at the Club, they are now into the quarter finals. Thursday 21st CZECK REP. vs PORTUGAL Friday GERMANY vs GREECE Saturday SPAIN vs FRANCE and on Sunday it's ENGLAND vs ITALY, THAT IS WHY THE MEETING WILL START AT 2.00PM [two o'clock sharp]

I know the games are being shown on TSN, but come out to the club and feel the atmosphere, plus it's good for the club

Please make sure you let me know of any members who are sick, in hospital or under the weather.
