PRESIDENT'S REPORT

Congratulations to Glasgow Rangers on winning the SPFL1 league in record time, March-12-14 saw this feat accomplished, well done to Ally McCoist and staff on a job that cannot be easy under the circumstances at Ibrox. The ten supporters who braved the storm to support your team as well as your club I personally thank you. Upcoming games for Rangers are no easy tasks we have the Ramsden Cup final April-6-14 against Raith Rovers then on April-12-14 try to get by Dundee United to proceed with the Scottish Cup final.

March 8-14 the NARSA meeting was held at your club and fine meeting it was lots of information with regards to the upcoming NARSA convention which is hosted by your very own club BRAMALEA not Toronto as some have been lead to believe. I do thank the NARSA executive for travelling far and wide to hold this annual meeting at our club. To Karen, Audrey, Christine, Violet and my Joanie a special thank you for once again transforming our club into a place for fine dining along with a meal fit for any hungry traveller, and to our members your support certainly showed on this day.

Scott Allan took the bull by the horns this month on the entertainment front and hosted a early doors Blue Night I do believe Gordon Brown would have his finger on the pulse somewhere when it comes to entertainment. Scott you did a great job a well deserved pat on the back for a very successful fundraiser to help out the G.P.B. along with your club having very good bar sales. Staying with entertainment we have three dates for April the first being Sunday the 6th at 2.30pm Canadian Idol finalist Sharon Pereira a \$10.00 p.p. ticket price then on the 26th we have Dogs with Wings fight autism night (Light it up Blue) is the theme hosted by Tony & Jayne Mathews ticket price \$20.00 p.p. which includes a roast beef dinner and of course Fiddlesticks. Once again Gordon is running a bus to Seneca Casino on the 13th at 10am \$30.00 p.p. which \$25.00 is returned to you in one form or another.

The convention is coming on great and your committee led by chairman Davy McDowall is working hard to ensure a great time, the biggest and best is our motto.

To our sick and shut-in members and families we wish you a speedy recovery, get back with us soon.
