PRESIDENT'S REPORT

Thank you Alex Morrison for filling in for me at the April monthly meeting as Davy and I along with a few others were in Myrtle Beach on a golf excursion.

With the experience Alex has as Past President the meeting would be handled with grace and poise not necessarily in that order but it would be done anyway.

Update on the renovations are as follows: chairs are in they look great also the crest on the back panel which is the part that I was most concerned about came out first class, the benches bottom half have been done and the back is a job in progress, some finishing touches to be completed and then we are done with the Reno's I hope for a while.

Please remember the club is available for rent, and as much as we have done well with rentals we could certainly do better. Our pricing is next to none and you do not have to be a member to rent please tell your family and friends if they are looking for a place please consider us.

During the summer months please keep in contact with the club as there will be activities happening EURO cup soccer, men's golf, mixed golf, Roy Orbison & Kenny Rogers, club picnic and a date with ABBA in our future also, BBQ or two along with some Karaoke.

Rangers and Ibrox who knows what is going on I am afraid to write anything about the situation and the people involved so I will therefore leave it alone and let the story unravel on its own.

Noel and I are both having computer problems hence the short and sweet newsletter but with the same sincerity

To our sick and shut in members our thoughts are with you, get better soon.

Secretary Report

The upheaval continues, every day there is more news, mostly negative, the Season is over and still no decision. The chair of Kilmarnock, Michael Johnston said Rangers have received substantial penalties, and it must be noted not to come too heavily on Rangers which could put off new owners and investors, as it isn't them who have done the damage.

It is all above me, but I still feel for Ally McCoist and the players, as well as the Supporters around the World.

The newest date is now June 6th if the creditors will agree to the latest proposal, which is a consortium led by Charles Green, when will it be over.

The Dominoes' Banquet was a great night, Billy Harper was the entertainment, as well as a few others in our midst, and enjoyed by all. The big winners were Jim Sloss and Jack McAllister, with Tommy Scade and Dave McDowall runners up, and a tie for third place shows you how close and competitive the Dominoes are, so for a great Saturday afternoon, sign up to play or spare and enjoy a brilliant day, which is also good for our Club.

Well the Rod Stewart Revue was a great night, as expected, it was a sell out, which is always good for the Club. Gordon Brown continues to do a great Job, and the next show with Kenny Rogers and Roy Orbison on June 23rd should also go well, so get your tickets early and don't be disappointed.

If you haven't seen by now you should make a point to see all the improvements in our Club, all is now completed and looking great. The chairs arrived last week and they are very comfortable, the carpet, the pictures, the tables, all the painting have now all come together and what a sight, the Club looks wonderful, you will see none better.

The Club has the best deal in town for rental, not only for Members, but everyone, check it out for all your Party needs.

The Jonnie Reid Show was reported to be very good and enjoyed by all, I am sure this will occur again on the next visit of Jonnie Reid, well done Stuart McFarlane, I am sure everyone appreciates your hard work.

Please try to come out and support the Club, anytime there is a night on, lots of work is done by many people to make them successful and keep the Club solvent. So when the next function is advertized, get your tickets early, and come out and enjoy yourselves, like I have said many times now, where would you have a great Saturday Night out with food, bar costs, and entertainment at these prices, nowhere only at our Club, "THE RANGERS".

PLEASE NOTE THE UPCOMING FUNCTIONS AT THE CLUB.
And come out and support them.

Please make sure you let me know of any members who are sick, in hospital or under the weather.

WELLNESS

Davy Shanks had a wee fall when out at the store with his wife, the last I heard he was not too bad.

David Murray had a couple of wee operations, you probably saw him in the Club with a few wee plasters on his head, but looking great now, he has been in the Club and is doing OK.

CONDOLENCES

It is with deep regret I report on the death of John Wilkinson. John passed away on May 7th 2012 at age 76. He was one of the finest individuals anyone could know, and we pass on our heartfelt sympathy to his wife and the Family Circle. The age, when we lose our Mammy, we pass along our heartfelt sympathy to Davy and the Family Circle.

And we wish all the best to David Kirkwood Who has decided to go back to Scotland to live, we hope it works out for David we will miss him at the games.
