PRESIDENT'S REPORT

Let me first thank Fraser Wilson for assuming the president's position at our last monthly meeting while I had a vacation in Myrtle Beach, I had a great time even if the weather was not the best.

May 4th was the fundraiser for our 2014 convention committee, and a very successful evening it was, so congratulations to Dave McDowall and his committee for all their hard work, it certainly paid off. I would like to say, Davy's wife Karen and their daughters do a lot of work at the club for us members, and it is very much appreciated. But on the night of the fundraiser, a new leather jacket owned by Davy's daughter Candice was taken, [I would like to think by mistake] so if you happen to come across a leather jacket that you know is not yours, please return it to the club and I will make sure Candice gets it back.

On the same night, a cheque was presented to Mary Hepburn for the amount of \$250.00 to help off-set the cost of Govan Proddy Boys Flute Band for the convention.

The Dominoe banquet was the best one yet, for \$10.00 a meal to die for, catered by Tony and Jayne Matthews, entertainment by Billy Harper who was in great form, along with our champions Tommy Kingsberry and David Ramsay, not forgetting our Chicken winners Kenny Henderson and John Dick, a great night.

Ryder Cup golf June 15th, get your name on the sheet for the bus, Cancer fundraiser that night with Michael Theodore and his 4 piece trio. Fathers day June 16th with steak and crab legs, sign up sheet at the bar, or call me with details of your numbers. July 13th Patsy Cline, Loretta Lynn, get your tickets early don't be disappointed, they were great last time. No food, but it keeps the price down for these great acts at our club, ALSO maybe a mixed golf tourney if interest is good.

Rangers, watch this space, and as the drama unfolds I will pass on info as we get it. We should learn more at the convention in San-Francisco, Thanks to all who are attending on behalf of the club.

To sick and shut in members and their families, are thoughts and prayers are with you, *Alistair McFarlane* ..

Secretary Report

Well the league is all over and Rangers were Division three champions, now on to Division two next year, and hopefully Champions also.

They still have a lot of young "boys" in the team, which meant that Rangers gave a lot of opportunity for young men to get into Scottish football, which is a great legacy, and they are to be congratulated for it.

We would like to welcome our latest member, Kenny Patterson, who is the son of Freddie who many of our members remember for his football skills. We welcome Kenny as a member of Bramalea Rangers club.

The fundraiser for the 2014 committee for our club hosting the convention next year, went very well, all the committee felt it was a great success and a great night was had by all. Joe Cully was excellent, the dancing never stopped, except for the auctions which went very well. Congratulations to Davy McDowall and all the committee, for a very successful night.

The Dominoe Banquet was an excellent night, and a lot of fun. The champions of the dominoe league were Tommy Kingsberry and David Ramsay after winning a nail biting playoff with runners up Tommy Scade and Jack McAllister, who were gracious in defeat. Billy Harper was at his best, the dancing was popular with everyone, and the singing guests were second to none. Fraser Wilson gave us his Louis Armstrong, Noel gave his traditional backward song "home me the way to go show" but Tommy Kingsberry stole the show ?????? With the dead-wood stage, and whip crack away. Our own Tom Jones [Robin Crane] was great.

But the food was amazing, by Tony and Jayne, out of this world. Thanks go to Donald Cameron, Tommy Scade and Alistair for a great night

Please remember to inform me of Members who are sick or in distress, it's nice to get a wee "get well card" from the Members when you are feeling low.
