PRESIDENT'S REPORT

As my term as President comes to an end I reflect back over the years and think what an honor it has been to serve as your President of the greatest Rangers Supporters Club in the world. I will always treasure the great memories with great members past and present along with the many visitors who have crossed our threshold, it has been an honor and privilege I can assure you.

Special thanks goes to my executive team Tony Matthews (Treasurer), Noel Fitzgerald (Secretary), Peter Liddle (Accountant) along with the many members who have served on the committees over the years. It is wrong for me to point out one person who has worked along side me over the years as there has been many but I feel I must say Gordon Brown has been my ace card. For the tireless efforts he has given to the club which has made my job easier he takes the reins to lead the sales of anything we do within our club. ABBA was the start of many great nights. Thank You Gordon.

Noel with the Bingo/Euchre, Donald with the Dominoes, Archie and the gang with the darts and the latest venture is Edwin with the band. These are members who bring people and money into the club with their weekly/monthly activities and their efforts are appreciated. When I am thanking members and friends the Scottish Mafia comes to mind with the Burns night, St. Andrews, and of course New Years your input and help will always be appreciated

To Ally's army spearheaded by Karen who has great insight to interior decorating, along with Audrey, Christine and Isabella transformed our club into fine dining on more than one occasion. To Tony & Jayne for their great service of many fine meals and to the young Ladies who helped with the service, a special mention to Chelsey & Ailsa

Last but not least as the saying goes the convention, which was billed as the biggest and best and certainly lived up to it's name by all accounts. Redondo Beach 2015 are working hard to live up to the high standard that was set by Bramalea with thanks to Davy McDowall and the convention committee.

We do have our annual elections coming up on Nov-29th at 1pm. if you can make an effort to attend the club on this date all candidates would appreciate your support.

Dec 7th is a wee trip to Seneca for some it is a run to the States others a wee flurry on the machines. Dec-14th the Children's Christmas party at the club please have the kids name in by Nov-29th. Christmas Eve Dec-24th Danny Mills D.J. New Years Eve Dec-31st dinner & dance with Norman Mason entertainment, lets see the Auld Years out..

Finally Jan-1st, 2015 starting at 2pm. Joe Cully (Mr. D.J), along with Sharon Peirria (Canadian Idol), also The Meteors just to start your New Year off on the right foot.

As this is my last official function your support once again will be appreciated.
