PRESIDENT'S REPORT

When I sit down to write my message I ponder on what to write that is different from last month or last year and each month I hit on the same subject then avoid it that question is how to get more bodies into our club from a Sunday thru Saturday. Sunday afternoon is very quiet but a good time to reflect on the happenings of the past week or catch your favorite NFL or PGA game. Wednesday evening we have a mixed dart league from 7.30pm until 9.30pm which is a fun night and all welcome, Thursday is another day in which we are getting quieter we used to have a regular crowd and it seems to be disappearing same on a Friday except Friday night in which Noel Fitzgerald & Bobby Brown spearhead our euchre and bingo evening again a fun night starting at 8pm and finishing when Noel decides to stop calling numbers for his snowball, Saturday in the winter we have dominoes but again 2.30pm until usually 6.00pm, [2.00pm this Saturday] unless you're playing with or against Iain Gordon then who knows when you finish. This is the regular activities within our club and then we have the games during the winter which have been well attended and I thank you for that along with the entertainment Gordon Brown has been bringing in which has been first class. One does not have to be member of the club to join in our activities I am asking if you can see your way to support your club in any way please do so as it ensures we will be here for a long time.

October meeting is our nominations and if you are interested in getting involved then please attend this meeting and put your name forth. The executive and committee is not entitlement to a free ride within your club however personnel satisfaction and pride can certainly overcome a lot. To the members who are not going forth next year I personally want to thank you for the time and effort you gave the club this year, and to the individuals who stepped up to the plate in a time of need a special thank you as you deserve it.

November 9th we will have the Meteors in the club this is a very good band with all your favorite songs being sung toe tapping for sure also there will a light repast (buffet) on this night, November 24th St. Andrews night this is a night when you get your kilt back out and air out the legs lol. The celebration of the patron Saint of Scotland will be an entertaining evening or a warm up for Burns night in January. I do mean Movember and somewhere on this newsletter Noel has explain why it is Movember and good luck to Glen Lawson son of Stewart and Sylvia on his fundraising.

To all our sick and shut in members and your families get well soon our thoughts are with you.

RANGERS SCHEDULE. NOVEMBER

SATURDAY NOV 10th vs PETERHEAD HOME

SATURDAY NOV 17th vs EAST STIRLING AWAY

SUNDAY NOV 25th vs ELGIN AWAY

There may be other games during mid-week, or Cup, I got these off the Internet, so always check the hotline @ 905-595-0888 for all games and times.

I was reading an article on bbc news about Charles Green, the owner of Rangers, and he was saying that when he bought Rangers, the supporters were not too happy with him, and very vocal in letting him know. But now they are solidly behind him, and he has been on record as saying Rangers Supporters are the best in the world, the way they have shown support for the team, with the crowds at Ibrox, and other venues in Division three, they have been second to none.

And Rangers are now at the top of Division three, hopefully the march is on, and they will once again take their rightful place at the top of SPL.

Well the Convention for 2014, which will be hosted by Bramalea, is now on track, Dave McDowall and the volunteers have already had their first meeting, and I am sure you will join me in wishing them every success, if you think you can help, talk to Dave McDowall I'm sure he would be delighted to have your help.

Our member Doug Clifford passed away at the early part of October, I am sure you will join me in passing on our heartfelt sympathies to his Family.
