PRESIDENT'S REPORT

Our Club championship Golf Tournament was a huge success with the eventful winners being our very own Gordon Brown and Stuart Lawson congratulations to two fine members. There were many other winners on this day with longest drive and closest to the pin along with every golfer who attended this tournament as we had a really good prize table. Thank you to all who supported this great day members and guests alike, special thanks to Tony and Jayne the meal was fantastic.

Entertainment at the Club has been stepped up this year and is proving to be the right move; we will continue to go this way until it shows otherwise. Noel Fitzgerald along with his great support from Bingo and Euchre have been nothing less than a diamond in the rough and I personally thank you all, Danny Mills with our new found friends at the dart league have also been great supporters to our shows and it is appreciated by all involved.

Davy McDowall as you are aware is our N.A.R.S.A. Representative and for September 19th, five members were invited to attend a meeting with Charles Green at Toronto #1 east end club in which I elected to take four other members of the committee. Charles Green is nothing less than a first class speaker he told us how he got involved with the team and eventually became the owner with disgraced past owner Craig White shares, also his fight with the S.P.L. goes on and his charges keep piling up not an easy fight he is in but he does seem determined to not to go down easy and the titles he hopes will stay at Ibrox. After meeting Charles Green I do wish him all the very best of luck in his fight with the S.P.L. and Davy will get us up to date at our monthly meeting.

Just a reminder, next months meeting on Sunday October 28th 2012 starting at 2:30pm it will be our yearly nominations. Please attend and show your support for your upcoming Executive and Committee, one must have held a position on the committee for a period of two years to be eligible to run for President all other positions are open for your nomination. We look forward to seeing you at your club.

The President was invited to meet Charles Green at the Scarborough club, along with Dave McDowall Alex Morrison and I with John Russell & Dave Murray. He came across to me as a very good speaker, and passionate about Rangers, he laid out the direction he will take with Rangers, he gave us the history on how he achieved Rangers and the things that were done to Rangers by the SPL and SFL, he said the passion he experienced was unbelievable, and he felt that this opportunity facing Rangers is the biggest ever. They are now debt free with money in the bank and within I year, they will be the richest in Scotland.

He was asked why anyone would want to invest in Rangers and answered "because it's Rangers and investors will own a piece of greatness" He said SPL want to strip Rangers of all their titles but they will never give them up.

There is a video in the works for all Rangers fans, they plan to put Rangers shops in Airports and towns, Addidas have now taken the brand in place of JJB Sports which will be good for marketing the Rangers name in North America, and felt RFC will be the largest Addidas club in the World, I was impressed by him and his vision for Rangers and if it works like he sees it, Rangers will be on top again.

The karaoke night on Saturday Sept 1st, for "LARNE EXILES AND FRIENDS" put on by Danny Mills, turned out to be great and at **NO CHARGE** you couldn't have asked for better. "BRAMALEA'S GOT TALENT" that's for sure.

It is true that Bramalea has talent, our own member Alan Johnstone, his wife Linda and son Robert {also a Teddy Bear} are all in the cast of "ANYTHINGS POSSIBLE" playing at the Maja Prentice Theatre, Dixie & Burnamthorpe on Nov. 8/ 9/ 10 starts at 7:30pm, cost \$15.00 pp call Alan for tickets @ 905-897-2659

The IMPOSTERS on 22nd was a great, funny night, and enjoyed by all, thanks again to Gordon Brown who continues to do an excellent job for the club. It has been great to have these shows in our club and the support from members and friends is very much appreciated.

ELECTIONS for all club Officers and Committee are approaching. Nominations will be held at the October meeting, and ELECTIONS at the November meeting. Start thinking now about the people you want to run your club.

Please make sure you let me know of any members who are sick, in hospital or under the weather, then I'll send a wee card.
