President's Message

With Christmas getting closer I hope all our members and family have a great holiday. Our kids Christmas party on December 13th will kick off the season.

Rangers are top of the league and still playing well even though we have a draw and a loss in the league. I hear a few grumbles at the games but come on Bears, we have to stick behind our team. We might not be ready for the Champion's League but the Premiership here we come. The attendance at the games has gotten better lately maybe because of Gordon's Roll n' Sausage. If you ask big John Mitchell who has about 4 of them at every game they are "simply the best". Last week the "wee man" Tommy Scade was in watching the game. Hopefully he will be singing and dancing soon.

I would like to congratulate Stuart McFarlane and his new committee well done all. There will be an election for Vice President on Sunday the 29th so good luck to Alex Morrison and Fraser Wilson. The position for secretary is open so don't be shy.

The bottle draw will be on Christmas Eve at the club so please buy some tickets which helps with the kids Christmas party.

New Year's Eve tickets are selling fast so please don't be disappointed, tickets are limited.

Once again the Ladies Night was a huge success thanks to Audrey Cole and her helpers. It takes a lot of hard work and the club benefits from it with great revenue at the bar. Audrey also donated \$100.00 to the club which I asked her to put towards Christmas decorations for our club. If you want to help out with decorating let me know and I will tell Audrey.

In closing as most of you know we have had a few leaks at the club through the roof. Fraser Currie has been on top of the landlord with this ongoing issue and has spent a lot of time meeting contractors and cleaners with this issue. Big Ian Gordon has also put a lot of time in fixing tiles and clean up. Thanks to both of you.

Secretary's Report

November 29th is the Annual Elections day for new officers at our Club. At this time we will hold a vote for Vice President with both Alec Morrison and Fraser Wilson vying for the Position. Would be great to see as many members as possible out to contribute to the Election Vote.

At our Elections in October Stuart McFarlane stood for President and won by acclamation. While Stuart has held this position previously and understands the nuances of operating our club, he is well respected in the North American Rangers Family and will be a Great Ambassador for our club. Congratulations Stuart!

To date the Committee lines up as follows

President Stuart Mcfarlane
 Vice President (To be Voted on NOV 29th)
 Secretary OPEN
 Treasurer Fraser Currie

Directors

Ian Gordon
 David McMaster
 Tommy Kingsberry
 Stephen Welsh
 Tony Matthews
 Paul McDonald

On The Park

I fear we have complacency creeping in to our team as the last two games the players have been taken to task. Mr Warburton's work is no less easier with these performances and he must now show his managerial acumen to come out still on top after Ne'erday
