President's Message

Well at the last general meeting it was a great privilege to be made president of this fantastic club. Don't get me wrong, I would rather it was in better circumstances with the previous committee being dissolved, the club elected a new committee for the rest of the year & 2018. In my opinion the members have elected a fantastic committee who are already working on making the club stronger not just for the following year but hopefully for years to come but as we all know the committee can only do so much we need the members to support us fully & get behind us. I am sure when I say this we are all only looking for the same thing, the well being of this club. As I write this, our beloved team still has no manager in place. Graeme Murty has done a fine job as he did last time but is he the one to take us closer to them I'm not too sure. A lot of names have been flung in the hat some I just shake my head in disbelief but whoever gets the job will have the backing of the greatest fans in the world. I could go on & on but I have 14 of these to do so I need to keep some thoughts for future newsletters.

Secretary's Report

Thank you to the members of the 2017 Committee for their time and efforts this past year. A highlight for me was the success of the Rangers Idol Competition spearheaded by DJ Danny Mills. The contestants and attendances recorded for each round were very impressive. It was great to see so many folks in the club on a Sunday afternoon having so much fun. Well done to all involved

Congratulations to Scott Allan as he takes on his new role as President of the Bramalea Glasgow Rangers Supporters Club. His passion for The Rangers and overall support of our club is constant. With our support, I am sure he will have a successful term as President.

Many thanks to Audrey Cole for organising another successful Ladies Night!

Christmas and New Year are now upon us, we have the Kids Christmas Party, Christmas Eve Cheer, New Years Eve and New Years Day events scheduled, along with 9 Rangers matches. Please review announcements for same below and contact a committee member with any questions you may have. Hope to see you in the club!

On The Park

Results are not coming in the way we all hope for. Against Hamilton yesterday, we had numerous chances but couldn't get the ball over the line. I think tomorrows practice at Murray Park should start with shooting practice and tap ins. We have Aberdeen twice in the three matches, the results from these games could begin to shape our League Position for the Season. Hope the lads all dig deep and play for each other while the Men upstairs get the Managers Vacancy sorted.
