

1985-2015

## President's Message

Where has the year gone? Our team is still unbeaten in the league and promotion is looking good. The attendance at the club for the games has been poor the last couple of weeks but hopefully it will pick up. The kids Christmas party forms are out at the bar or you can download them online from the website. Stuart & Gordon have arranged a great day for the kids so please get your form in A.S.A.P. New Years Eve tickets are now on sale, please see Gordon or Stuart for tickets. You can also pay at the bar and a receipt will be given. New Years day we have a live band & DJ to entertain you, no ticket required.

The nominations for committee are on Sunday at the meeting after the business of the day. You have to be there to be nominated for a position or a letter from yourself addressed to the secretary Fraser Currie. Your club "NEEDS YOU".

Wee Tommy Scade has been back in the hospital and I was told he is battling away. I know the "wee man" will be looking forward to a wee Drambuie when Jean is NO LOOKING. John McVicar lost his wife Jean last week and our thoughts and prayers are with him and his family. If you know John you would agree when I say a "gentleman"

On a lighter note I believe our resident Saturday bartender "BOBBIE" should be back from boxing kangaroos. With the dominoes starting in a couple of weeks the boys will be happy with the smiling bartender serving them. Come down on a Saturday and you will have a great time, we may even let Noel sing.

We are the people,

David McDowall

## Secretary's Report

GLAD to see some tough questions lie ahead for Messers Whyte and Green. Since SDM handed over ownership of our Great Team and Institution for a quid, the lack of transparency and muddy speculations have been never ending. Finally, the High Court and Crown have assembled a case including criminal charges which hopefully, will shed some light and allow us to put this dark period of our Great Club behind us and let us move forward in a positive manner

On the park we have racked up 30 points from 10 League games! If we continue in this trend Premier Football next season is a lock! The QOS game was a test of strength, desire and resilience and our team did not relent. Waghorn scored his 14<sup>th</sup> League goal in the dying seconds and sent the crowd wild. It was unfortunate so many fans had left the stadium and missed a great goal **#chipvanloyal**

As Davy has already stated, nominations for Club Committee are on Sunday after our regular business. Our Crackin Wee Club is 30 Years Old and Highly Regarded Worldwide, lets do what we can to maintain. For those considering a place on the committee next year, please make sure your intentions are known at Nominations

There are a number of Events now listed, see Stuart McFarlane or Gordon Brown for tickets if you are interested

Lastly, thanks to our President Davy McDowall for food and snacks supplied at our last meeting, delicious and thankfully received by all

Fraser
