

President's Message	Secretary's Report
<p>Well what can we say about our beloved team . Home performances in the league have been fantastic. Home and away performances in Europe are much better than any of us had hoped for but what is up with our league away performances. We have got to start playing with some more intensity. I know the last 2 were on plastic pitches which in my eyes are a disgrace for top flight football and probably isn't liked by footballers in general but I still believe we should be performing at a higher level on them. Regardless of important Europa games that are obviously in the players minds, the league is the most important! I'm sure everyone has their own opinions. As most of you know it's this time of year again as it's nominations for the 2019 committee. Where has the year gone? It's been a pleasure being the President of this club but in all honesty if it wasn't for the help from the committee and from some others in the club, I don't think I would be saying that the club has come along way in the year. We have lots of new members and a few younger ones which is great for the club hopefully, some are interested in the committee this year. As most know we as a club have been trying to get new bar staff for a while to help out, there has been a few times we were close to not being able to open. Our current bar staff numbers look healthy but only 2 of them don't have employment else where and if we lose these guys on holidays or something we really struggle. Last week, I had to do my job then come and work the bar, which is really tiring. All we are asking is for members to take on the odd shift every so often, particularly the Thursday/Friday shifts (Fraser & Kenny have been great over the last few weeks but they can't be expected to keep on doing these. We're not asking for full time barmen, just support to help out our club, please think about it . If Myles can do it anyone can lol . We are the people</p>	<p>The Gers have been on a nice wee winning streak as of late and whilst it is great to see them doing so well, its equally as good to see the excitement for the Team in in our membership and in particular at the matches themselves.</p> <p>This Thursday Rangers take on Spartak Moscow at 3pm EST a win would set us up nicely to move on to the next round easily. Sunday afternoon we have Aberdeen at 12:30pm in the semi final of the League Cup. A victory here gets us to a Final which will bolster this squad's confidence for a taste of silverware.</p> <p>Hope to see everyone out supporting The Rangers and the Bramalea Glasgow Rangers Supporters Club at some point over the next number of days.</p> <p>Saturday, we have nominations for our Executive Committee. For any member interested in pursuing a position please attend the meeting at 2:30pm or submit your intentions to me prior to the meeting.</p> <p>NARSA have confirmed Andy Gray as MC for next years Convention at Caesars in Windsor. The GPB Flute Band will be entertaining at The Blue Night on the Friday. Rooms are still available and a link to the reservations may be found on the NARSA website www.narsa.ca</p> <p>Ticket prices will be announced shortly</p> <p>Fraser</p> <p><u>ENTERTAINMENT</u></p> <p><u>Cancer Fundraiser</u> November 10th 8pm</p> <p>Hosted By Stuart Mcfarlane \$20 per ticket including food Entertainment by the Andy Todd Band Raffles Prizes and more....</p>
