## President's Message

It was great while it lasted but all good things come to an end. St. Johnstone a premier league team cost us our unbeaten streak. I still think we played well, though not giving up when it was 3-0. Mark Warburton still has this young team playing fantastic football and I for one love watching it.

Gordon Brown is back and looking fitter than ever. He and Stuart McFarlane will be working hard on the Christmas & New Years functions. There will be a bottle draw coming up to help with the costs of the kids Christmas party. The forms for the kids will be available soon. Your hard working secretary Fraser Currie will have them out and on the website as soon as he finishes his chores at the cottage

We have had a good attendance at the games so far this season, which is great, your club needs this support to keep it going. John Wilson moved to Guelph recently but he told his daughter that was ok as long as he got to come to his club to watch the Gers. I hope when I am John's age I can do the same.

On a sad note we lost another member, Alec Nelson who passed away last week. Fraser Currie attended the service and said it was very well done. Our sympathies to the family. Jim Sloss will have a brick in the wall at Ibrox for Alec in his memory.

Last Wednesday the dart league started back which was nice to see a good turnout for them and hopefully it continues through the season. If you fancy a wee game of darts on a Wednesday night 7:00pm they will make you feel welcome.

Starting in November, the Domino league begins and there is a sign up sheet at the club. Put your name down as soon as you can.

## Secretary's Report

Many Thanks to all the Members and Friends who came out to the Annual Golf Tournament at Gleneagles on the Labour Day weekend. While it was a hot one it would appear that there was great competition amongst the Foursomes and the Winners, Mr. Ron Jolly's group, carded an -11 to affirm their place in the field! Well Done Lads!

Our Scottish Comedy Night Friday September 4<sup>th</sup> was a modest turnout but the 50 folk in the hall were laughing that's for sure

Patrick Rolinck, Jamie Dalglish and Rosco Skelton were brilliant as they entertained us throughout the evening. The folk I spoke with said it was \$10 well spent.

After 3 games of scoring 5 goals in each we have managed 5 goals in the last two. Looks like our free flowing fast paced passing has been well documented and Dumbarton did well to close us down in the Middle of the park. Wallace and Tavernier are brilliant going forward but I wonder how long we can continue in that style given they have scored 7 goals between them and are 2<sup>nd</sup> and 3<sup>rd</sup> place in our Top Scorers. I would hope Mr Warburton has more flashes of magic to show us.

As we lead into the Fall and preparations for the Christmas period, announcements are forthcoming for club activities. The Christmas Log Draw is always one of the highlights and this year winners will be drawn on Christmas Eve. Donations for prizes are now being accepted

Fraser

I can personally tell you it will be a brilliant laugh on a Saturday afternoon. Stuart McFarlane has a fundraiser for the Cancer society on October 24th so please see him for tickets, there is more information on the website.

A reminder that the October meeting will be for nominations to the committee. I hope to see you all at the meeting on Sunday.

W.A.T.P

David McDowall
