PRESIDENT'S REPORT

The support for the games has been fantastic for the club and I want to thank the faithful very much. We have had two issues getting particular games and one was the fault of NARSA who in their wisdom decided not to take the game but due to clubs pressuring them we did get it with thanks to Davy McDowall and the other game was due to the conflict between RTV and BBC, Oh where does it end get it sorted boys.

Elton John will be with us on the 28th and again a special thanks to Gordon Brown along with Stuart McFarlane for outstanding job on ticket sales it is yet another sell out for the club, Danny Mills will be our D.J./ karaoke specialist for this evening. October 10th will be an evening with Johnny Johnson so do not forget to get your tickets early as Johnny is in rare form, November will have two functions up till now one being a veterans night meaning the Meteors will be here with profits going to a veterans organization of some kind and coming back by great demand The Scottish comedians that date is the 16th for sure.

Darts have started again each Wednesday night 7.30pm til usually 9.30pm if you are interested come on down have a wee look see, this is a mixed league so all welcome. Dominoes will begin October 26th so get your name in for this noncontact sport up till now Tommy Kingsberry one half of the reigning champions is looking to hand pick his partner as he claims it would be an honour to play with him maybe Davy McMaster could play with you and then the chances are non-contact goes out the window. I cannot forget the euchre/bingo on Friday nights this night has been growing nicely so thank you Noel Fitzgerald and gang spearheaded by Bobby Brown for the hard work and dedication they put in.

On a sad note an occasional visitor to the club Stan Knowles passed away due to car accident our thoughts and prayers go out to the family and friends. To our own sick and shut in members and your families get well soon and get back in here to see us.

Alistair McFarlane (President)
