

## President's Message

Hello again, hope everyone is keeping good, the summer is nearly over, the fall has nearly begun and European football is back. Who would have known after last years Europa league endeavours that this year we would have made the group stages. After such a hard road to get there, it just proves what a good manager Stevie G is going to be!

In the league we have been unlucky, a few late goals and some bad decision from the refs otherwise we would be higher up in the standings. The game against the unwashed kind of gave us a reality check, that we still have some work to get done before really challenging them, however, in our defence, we did play a lot of football in some far away lands and it did look like a tired display. Personally, I think we will beat them at Ibrox in December, our team should be more settled and be familiar with each other, therefore, I'm optimistic about the rest of the season!

Lots of games coming up the club hope you can get out and support the team and the club, it really helps us when we get good numbers Well everyone take care see you in the club

## Secretary's Report

Well Done to Gordy Brown and his Golf Committee for a well ran tournament September 2<sup>nd</sup>. The course was in good shape, we had a dozen strong come through from Cambridge True Blues and the Steak Dinner and banter back at the club was brilliant

Thanks to the membership for their response to the Elton Rohn night. There was over a Hundred people in the club room that night and by all measures they were out for Fun! The band gave us a comprehensive Elton playlist and even covered a few favourite Beatles Tunes too.

Sports Pundit and Ex Celt, Chrissy Sutton, has reported its Rangers worst start in 29 years, funny thing is we are 4 League positions in front of his former club and scored 9 more goals!

A well deserved draw, 2-2, in Spain against an organised Villareal has set us up nicely with the next two rounds of the Europa Cup played at Ibrox. Whilst winning the League is ultimately what Steven Gerrard and his team want, I am sure victories in these two games are high on their list of goals for the month of October

Checkout the fixture list, we have lots of exciting games coming up!
