

September 2017

Hello, Hello, Hello.

Alex here, back from Holiday in Scotland. Anne and I had a wonderful time. The weather didn't keep us in, but could have been better, "says it all."

The Glasgow Rangers are playing in Hamilton on Friday, Oct 6, 2017. The Bramalea Club is running a bus, leaving The Rangers Club at 5pm.

The cost is \$115 per person that includes ticket for the game (sitting, not standing) and coach. If you could pay by this weekend it would help as the initial outlay is quit substantial. Please see either Gordon Brown or myself. You can pay cash or cheque made payable to GRSC. You can drop off cheque to barman. I will be in club on Tuesday, Thursday and Friday. (Club number 905-458-7718).

The club hosted a Queen Tribute last Saturday night. it was a sell out. The group was good but the real reason it was sold out was because of Scott Allan and Gordon Brown's hard work in selling the tickets. Well done, Scott and Gordon. It was well attended by the membership, and that's what we need, commitment. I was asked the other day how long do you think we will survive as a club, my response was, "as long as the membership allows us".

Another question I was asked, Does the membership help to maintain the premises. I answered yes.

Jim Convery fixed the microphone and sound board on the same day. Don McCormack must have cringed every time I walked in. I always have something for him to fix. Rusty, have I got a deal for you! Garry Creelman, always ready for work can turn his hand to anything. Kenny Cree, another talented Ulster man that can turn his hand to anything. David McDowall, don't know what I would have done if it wasn't for David and John Neilson. I think the safe is in its final resting place. Fraser Currie helped me a lot, especially during the break in period.

Tony Mathews, always reliable. David Borgan, a new member but always ready to help, a great asset to the club. Myles Denome, another great asset to the club. David Ramsay, reminds me of Roy Cropper, gets the messages, always a club man. Steve Thomas, one of our new members does a great job, considering got thrown in at the deep end coped brilliantly. Jack McCann never said No, A great Club man, sorely missed. Ally McFarlane brought the Pepsi man, Brian McCauley in so the pop is tasting fine. Stewart McFarlane, the music man and Narsa Rep, a great compliment to our club, Kenny Henderson right hand man at the computer, John Caldwell, entertainment and outside window washer, Paul McDonald If he can't fix it bring in the son, Ian Gordon, finally will fix it after his smoke break.

In answer to the question, Does the membership help, 100%. Thank you everyone.

Cheers – Alex Morrison President
