## President's Message

First news letter of 2018. Hello Everyone and a Happy New Year! First off, New Year's Eve I received mixed reviews, however, personally, I thought it was a great night with a great band and if it wasn't for Scott & Audrey Cole stepping up, it probably wouldn't have happened, so thanks again to them. New Years was another fantastic day, again a great band and DJ both keeping everyone entertained for hours many thanks to them also.

The Burns supper was somewhat rushed put together but the food was fantastic! Thanks go out to Blair's catering. The DJ, Joe Cully was superb & the Toasts went really well, what a night! I would personally like to thank once again Audrey Cole, Elizabeth Miller, Bill Rennie, Fay & Ian Maclachlan and John Caldwell for helping out making the night a success. I should also thank the barmen at all these events for doing a fantastic job too.

Well after a 3 week break, a wee jaunt to Florida and lots of new signings Rangers were back in action including a number of new signings and I think most agree, we thought good signings, unfortunately, I'm still not convinced as more points were dropped at home, maybe if we played Aberdeen every week we would already be champions, but 19 dropped points at home is unacceptable in my eyes On to our beloved Bramalea club, since this new committee has started, things are looking really good for our club and by the way the membership has stepped up with phenomenal support the future certainly looks a lot brighter.

At the last executive meeting we looked about the hall and identified some areas and items that need repairing or replacing to make the club continue to shine. Private function rentals are important to our club and having the club in pristine condition is essential. Take care everyone & hope to see you all again in the club soon. We are the people

## Secretary's Report

Happy to report the membership renewal and recent new applicants have the numbers north of 140 members with the 150 mark well within our reach. On behalf of the executive we thank you for your response and support.

The January transfer market saw Rangers very active with a couple of loan deals, players recalled from loan and a couple of players moving on

Graeme Murty believes the club is heading in the right direction and can only get better over the rest of the season with players who are hungry and desperate to do well for Rangers. Lets hope this transfer activity translates to goals and wins for the success of our Team and Supporters Club
