PRESIDENT'S REPORT:

The 25th Anniversary is upon us. How quickly time goes by. The characters we have had as members are too many to name, also the celebrities, the dignitaries, a lot to be proud of considering our humble beginnings, from the "Ebenezer Hall" to the "Masonic Hall", to next door to the Club we have today. Now is the time to show why you are a member of the club by attending **this** club function at the Holiday Inn, Bramalea on Aug 07th. We have 218 paid members, so realistically, we should have 400 attending. We would love to see you all there.

What a busy month July has turned out to be, normally a quiet time for the club, with the exception of the "Blue Night" which I thought was one of the best. Norman and the Cambridge True Blues were at their best. No football, the odd holiday maker, giving us a visit, but what a difference the World Cup made, the final was really well attended. Stuart and Dave made the barbecue, and then the rain came on. The new high definition projector that we wanted to show off went down with the satellite, but not for long. The atmosphere was excellent and although the predominant orange support in the crowd were disappointed, it turned out to be a grand day.

At the last meeting in June, it was recommended by the executive and passed on the floor that at private functions all members not invited by the party vacate the club before 8pm, regardless whether you have a refreshment to finish or not. If we do not take these measures now, we won't have a club to rent as the private functions help us survive, which is what pays the rental. It is unfortunate that we have to take these actions. **Abusive behavior** directed at the bar staff will not be tolerated, the bar staff have enough to contend with without having to baby sit disruptive members.

Wishing everyone 'a safe and happy summer'.

Alex Morrison,
President

SECRETARY'S REPORT:

I would first like to thank everyone for their kind words and support over the past month. The many phone calls and cards we received were overwhelming. Once again the support from the membership has been fantastic. Physio is coming along and I should be back on track before you know it. Thank you from the bottom of my heart. Also thanks to Katherine for nursing me back to health. It's sincerely appreciated.

On page 2 of this newsletter you will see our Rancel Golf Tournament for July 31st. Please try to support this fundraiser. My news this month is limited because I am still mending. Please keep me informed so I can continue to give the membership the information they need.

While in Scotland we received an autographed Rangers Shirt from Stuart MacArthur of Stirling. We have presented this strip to Alex Morrison on Stuart's behalf. Alex will have it framed and displayed prominently in our club. Warmest regards.

Alistair McFarlane
Secretary

WELLNESS:

Archie Hollinsworth has been going through tests hope all is well.

Good to see George Duncan back at the club and a happy 7th birthday to you.

Our club secretary Alistair McFarlane is back from Scotland where he had been hospitalized. Great to see him back at the club.

Mummy McFarlane was admitted to the hospital two days before Alistair's returned home, she is now out of hospital and recovering at home, can't keep a good Aloa women down.

Jack McAllister lost an argument with his car (the car wasn't even moving) outside the club he took a hit on the arm, the new first aid kit at the club came in very handy something we all should have at home or in the car.

If you know of a member who has not been well please contact one the executive and we will add it to the newsletter.

We hope that we find you all in good health.
