PRESIDENT'S REPORT:

NEXT GENERAL MEETING
August 28th 2.30pm SHARP

The club has been really quiet for the month of June and the first half of July, Tony has been asking me to produce a rabbit from the hat to get some money into the bank, I cannot do that but if some member can please step forward and be our guest or support our events even rent the club we do need help to pay the bills.

The Blue Night was a very good evening with the band being in top form, smartly dressed and plenty of them, long may the tradition continue at Bramalea. An afternoon with Elvis was held on the 17th of this July and it turned out to be an excellent day, impersonator Billy Cruise won the Collingwood festival three years ago and sounded good, Elvis would have been proud (right Mr. Scade). Special thanks to Tony & Jayne for putting together our summer buffet. Please watch for upcoming events at your club and support whatever you can.

The club is having Rock & Roll nostalgia night AUG 27th with pub food. Here is your chance to wear your teddy boy drape suit (drain pipe trouser and the long jacket) beetle crusher shoes and the comb in the back pocket and don't forget the brylcreem. Ladies you must have kept some of your gear. Skirts well below the knees, white socks, flat shoes, heavy on the hair lacquer (don't forget to back comb) and your Woolworths perfume.

The Ran/Cel golf tournament was another successful day at Mayfield with a turn out of 84 golfers the end result was a tie at ten wins each, I was pleased that we had a good turn out from our club we had to ask some of our players if they would play for the opposition to balance the teams. Thanks to the player who volunteered to jump over the fence. As was explained to the players at our club the brewery let us down at the last minute for prizes, what was given was shown to the players who voted loudly to send them back to the brewery, it has been sent back no response so far.

R.T.V. is going to be the way we shall see the games for the upcoming season there has been hours upon hours of discussion on this situation and the time has now come for us with no other option but to support Ibrox and N.A.R.S.A. in their quest to show the games in North America we at Bramalea certainly wish all the success to R.T.V. in their future endeavors. At this time we also wish Ally McCoist and the coaching staff along with the team all the best for the upcoming season. Ally being the new gaffer at Ibrox should make it interesting, if the team plays with the heart and enthusiasm he had we will be in good shape.

Thank you to John Caldwell for installing the lights around our new disco ball it certainly looks good when one is tripping the light fantastic.

Alistair McFarlane President.
