PRESIDENT'S REPORT

I left my heart in San Francisco along with my wallet would be the proper words to the song, but really a nice city for a visit. Tommy Kingsberry told me Alcatraz could not hold him just because the authorities never knew he was there. The convention was good the meet and greet was a treat their Blue Night with the Govan Proddy Boys was very successful. the N.A.R.S.A. meeting was the usual until our very own Davy McDowall got up to do his presentation on our 2014 convention and if no-one had never heard of Bramalea before his speech they certainly know of Bramalea after his speech it was a job well done, and thanks to Davy all the men know of our beautiful ladies washrooms I will have to get big Andy to spruce them up before next year. To Kathy, Karen and Lil who sold our merchandise on the Saturday morning thank you. I give thanks to all the members, partners and friends twenty in total who represented Bramalea a great turnout thank you.

Ryder Cup was held in Cambridge again and sorry to say the cup remains in Cambridge we lost by a slight margin 6-5 but my understanding is it was another great day and on the return to the club a few members popped into join Stuart McFarlane to help with his fundraiser and listen to Michael Theodore who is very good. There was a few of us who normally go to the Ryder Cup but this year we had to go to a birthday party for wee Maggie's mammy who turned ninety, you know Maggie and Sammy well as David Smith said went to a birthday party and a wedding broke out so congratulations Mr & Mrs Wood what a great night it was along with the surprise.

Carlsberg will be back in the club along with a pear cider, Tony is doing this so others can see a bit competition and who looks after the club the best, more at the meeting on this.

Monthly meeting June -30-13 2.30pm sharp.

To all sick and shut in our thoughts are with you.

Alistair McFarlane (President)

Secretary Report

Well I guess the football games are missed although some International games are now being played, but it's not the same as watching your own local team play {like Rangers} but It's coming.

There will be new framed shirts going on the wall to replace donated shirts which are there now. Any member who donated these shirts, or their Family, can choose to have them returned, with many thanks, or donated to the 2014 Convention Committee for raffle. Thank you.

The Club had a great presentation at the NARSA convention in San-Fran, thanks to David McDowall when he presented the Bramalea vision for the 2014 convention to be held here next year.

We are asking if any member, who is good at drawing, would like to re-design or alter the Bramalea Rangers Club logo for our shirts for the 2014 convention. It doesn't have to be perfect, just your idea's then John Russell can get it to the "logo Maker" So get your ideas flowing and lets see what transpires.

Gordon Brown is again running a bus to Seneca Casino on Sunday July 21st. The bus will leave the club at 10:00 am and return by 7:00 pm, sign up sheet in the club, or get in touch with Gordon and get your name in early don't be disappointed.

Please remember to inform me of Members who are sick or in distress, it's nice to get a wee "get well card" from the Members when you are feeling low.
